New Lenox Declines To Become Bottleneck To Free Joliet Traffic

A request for permission to erect signs of diverting truck traffic west bound on U.S. 30 to U.S. 6, via Cedar road, has been filed with the New Lenox village board by the engineer's office of the city of Joliet.

New Lenox board members said they would like to accommodate Joliet but at the same time their first duty was to their own community. Using North Cedar road as a truck by-pass would not be for the best interests of New Lenox, the board believes, and the request was denied.

The board pointed out using North Cedar road as a by-pass would not only create an additional hazard to youngsters attending Oakview school on Cedar, but also would cause a traffic bottleneck.

Would Block Traffic

The distance from U.S. 30 to the Rock Island crossing on Cedar, board members pointed out, is short and a couple of box-car type trucks or those extra long types used in transporting steel and automobiles would take up the space from the highway to the crossing gates and block traffic behind them.

Left turn movements off Cedar onto U. S. 30 for trucks coming east out of Joliet via Jackson st. and U.S. 6 would also cause congestion, board members said.

Joliet is trying to eliminate traffic congestion by getting trucks off its downtown streets, New Lenox officials pointed out, and they can see no reason for New Lenox to take on the burden.

What About U.S. 30?

What the state is to do about U.S. 30 is something that the people of New Lenox are wondering about now. There has been talk that the state plans to make it a four-lane road to match up with the section in Indiana.

Route 30 now is narrow and in need of repair. The state is to have repairs made on both Route 30 and Route 6 but no word has come out of Springfield relative to widening the Lincoln highway.

The other east and west transcontinental highway under discussion would pass to the north of Mokena and New Lenox and branch over to the vicinity of Gougar road to enter Joliet on the southeast side.

Whether this new road would supplant U.S. 30 or serve as another route from the east coast to the west has not been made public thru any official source.

LUNCHEON AT ST. MARY'S

The Sacred Heart league of St. Mary's church at Mokena will sponsor a Holbrook luncheon in the old hall of St. Mary's church on Wolf road, Monday, Sept. 23, starting at noon. Reservations can be made by calling Mrs. Clarence Zugenbuehler, Mokena, 3352.

Can Apply for Rural Carrier Job at Mokena

Applications for the job of rural carrier at the Mokena post office may be filed up to Oct. 8, it has been announced by the U. S. civil service commission.

The post of rural carrier became vacant with the retirement of Glen Folkers, who had held it since 1934. Since then Fremont Warning has held the job but on a temporary basis. Now the civil service commission is ready to hold an examination in order to make a permanent appointment.

There is but one rural carrier in the Mokena area. The route is 47 miles long. Applicants for this examination must actually reside within the delivery of the Mokena postoffice and have lived there for at least a year preceding Oct. 8.

There is no maximum age limit but one must be 18 now or will have reached such age by Oct. 8.

Complete information about the examination requirements and instructions for filing applications may be obtained from Postmaster Margaret O'Brien at the Mokena postoffice.

Application forms must be filed with the U. S. Civil Service Commission, Washington 25, D. C. Such applications, it was stated, must be received or postmarked not later than Oct. 8.

Hold Last Rites for Louis Eberhart, 90

Last rites were conducted in the Blood and Grant funeral home in Joliet Tuesday afternoon for the late Louis Eberhart. The Rev. Curt Lundberg officiated. Burial was in Elmhurst cemetery.

Mr. Eberhart was 90 years old. He was born March 3, 1867 in Frankfort township, the son of the late Benedict and Anna Eberhart. He farmed in Manhattan township 25 years before moving to New Lenox where he and his wife Elizabeth Eggers Eberhart farmed for 25 years. After retiring they moved to Joliet where they lived at 423 Jessie st. He died Sunday in the Lincoln Nursing home, Joliet.

Surviving are four sons, Walter A. Rockford; Elmer L. Alvin H. and Roy B., all of Joliet; two daughters, Mrs. Mable Williams, Joliet and Sarah, Mrs. Julian Gorham, Harvey; 23 grandchildren and 23 great grandchildren. His wife died four years ago and two sons and a daughter also preceded him in death.

An ordinance fixing rates for water and sewer service for the village of Mokena, effective Oct. 1 has been adopted by the village board.

The ordinance was passed as a part of the legal set-up necessary in issuance of water and sewer revenue bonds to defray the cost of the sewer system designed for the village.

The sewer service charge will not go into effect until the sewers are in operation. It was explained, but the new water rates are effective Oct. 1.

In the past the minimum rate for water was \$10 a year, or \$2.50 a quarter. Meters were read once a year. If the reading showed the amount used was in excess of the minimum rate the user was billed for the difference.

Under the new ordinance met. (Continued on Page 16)

School Heads to Discuss 1957-58 Lunch Programs

An all day school lunch work shop for the Will county area will be held Saturday, Sept. 21 at Morris Community high school, Union street, Morris. All school lunch administrators, personnel and others interested in good nutrition are urged to attend. Participating counties are Will, Grundy, LaSalle, Putnam, Kendall and Bureau.

The meeting will be conducted by Mrs. Mildred H. Pianca, state field supervisor of school lunch for this area. She will be assisted by outside agencies in demonstration, talks etc., and by the state school lunch auditor. The school lunch program has been expanding throughout Will county in the past few years; the lunch workshop with its attendant exchange of ideas and demonstrations on food preparations makes for a better lunch program in those schools that participate in the workshop.

The day's program will open with a "get acquainted" period with free coffee and rolls at 9:00 a.m. (D.S.T.) and will end with awarding of prizes at 2:45.

No registration fee is charged. Luncheon reservations at \$1.00 may be made with Dale Steffen superintendent, Morris high school.

Edward C. Follette Dies at Tampa, Fla.

Word of the death of Edward C. Follette, 71, formerly of Frankfort, was received here in the form of a clipping from a Tampa, Fla. newspaper, forwarded by Mrs. Clarence Cleveland of Clearwater.

Mr. Follette died Sept. 11 in the Tampa hospital. He and his wife have been residents of Tampa for the past five years.

Resides his widow, Mary, Mr. Follette is survived by a sister, Mrs. William P. Hayes, of Hamburg, N. Y. The clipping carried no details concerning the funeral.

Can Register Tonight For Adult Classes At Lincoln-Way High

Adult education classes at Lincoln-Way high school will begin next Thursday night, Sept. 26 and persons who plan to enroll but have not yet done so may register for the course of their choice at the school tonight.

Many courses are offered including homemaking, art, agriculture, business and investments. Adult classes in home making are again in the area of clothing construction. If the class is large enough, it will be divided into beginning sewing and tailoring; if not, each person will work according to sewing abilities. During each class demonstrations or film strips will be presented to provide tips on clothing construction.

The art class is expected to be of special interest to elementary teachers, scout leaders, Sunday school and Bible school teachers and others who want to get some new ideas and techniques for working with young people.

Will Teach Welding

For farmers interested in repairing their own tractors and machinery, the agriculture department is offering a new course. Robert VanRheeden has enlisted the aid of the local farm machinery dealers to provide maximum help for any farm machinery problem. Farm welding will be taught by Joseph Kruzich. Both arc and oxy-acetylene equipment will be used.

In the business education field two courses will be offered. Beginning typing will again be taught by Miss Margaret Gentry. This will be of interest for those who wish to use typing for vocational, or personal use. The shorthand course is for beginners and those who desire a refresher course in the principles of beginning shorthand.

Investment Course

A course in investments, which was quite popular last year will again have a course in investments. The course will start Sept. 26, at 8 p.m. and run to 9:00. The class will meet each Thursday evening thereafter. (Continued on Page 16)

Vote 'Wing Ding' Big Success

by Margaret Semmler

The "Wing Ding", a Boy Scout contest program which was held in the Community park at Mokena last Friday, Saturday and Sunday, proved a most gratifying occasion for the Boy Scouts who attended from New Lenox and Mokena. It was somewhat a disappointment to the Scout leaders, that so few parents and friends attended the program around the camp fire during the evenings.

In true 1957 fashion they were rained out Sunday morning, but it was not for long. Every special outdoor activity scheduled for a weekend this year with the Boy Scouts so far has been dampened by rain. But that is not dampening the spirits of the boys who are looking forward to the fall camp out set for Oct. 4, 5 and 6.

The events were not designed to place one troop in competition with another, but as individuals and patrols. Some of the events were:

String burning, compass, tent peg making, water boiling, wood chopping, and observation. The competition was decided by length of time taken to do a fete or by points. All the boys displayed good thinking and sportsmanship.

It was most interesting to visit the camp and see how the boys pitched the tents in which they lived the two nights and to see their cooking facilities. One outstanding feature, to this writer, was the monkey bridge. It was made of tree branches, tied with ropes which the boys (Continued on Page 16)

U. of I. Business School Suggests How Small Towns Can Keep Trade

Small businesses are here to stay if they work at it, Prof. Irwin Cochran of the University of Illinois bureau of business management believes.

He says that business competition today exists more between towns than between the stores within a town. The country's greater mobility is the cause of the keener rivalry.

"Today the little towns are in trouble and the sad thing is that some of them do not know that they are in trouble," the U. of I. professor says.

Situation Not Hopeless

They are suffering from ex-urban and suburban trends as the city suburbs continue to grab their business, Cochran points out. Merchants in some of the small towns haven't the energy or interest to fight back.

"But the situation is far from hopeless," the small business expert claims. "An awakening interest is becoming more and more apparent."

It's with this sign of interest in self-improvement that the bureau of business management with its trained U. of I. staff loves to step in.

Prof. Cochran names five directions of community growth which an all-university committee studying community development uses as a guide in ascertaining the business health of a small town. They are: physical development, local governmental improvement, educational, social and cultural growth, industrial growth, and its retail goods and service.

Work Is Essential

The U. of I. specialist believes that the index of how lively a town is can be seen by the per cent of the trading area that is doing its trading there.

"Part of the trouble facing small towns is due to the fact that our people are so mobile that it is now easy for them to get from place to place to do their shopping some distance from home," Prof. Cochran says.

Among the suggestions he offers to small towns to improve their retailing power is clean merchandise, lively displays, new buildings, and business-minded merchants.

To get these things, Cochran lists two kinds of action for small towns to follow: group and individual.

"We need decisions as to what problems face the community; we need folks who will sacrifice a little for the common good; and we need people who will invest in the town because they believe in it," the BBM staff member points out.

But Prof. Cochran is optimistic about the future.

"The small business will be around just as long as it is sensitive to what is going on around it and adjusts enough to supply the needs of its customers," he concludes.

The first oil pipe line was of wood construction, five miles long, and had a capacity of 800 barrels daily.

The Secretary of State is the only cabinet member who does not have to make an annual report to the President.

Sacred Heart League

The Sacred Heart league of St. Mary's church met in the church hall Sept. 12. Plans were completed for their luncheon which they will sponsor in the hall Monday, Sept. 23 at 12.

The group made plans for their fall and winter event among which will be a hat sale on Oct. 4 and 5, with Mrs. Estelle Weiss and Mrs. Pat Zugenbuehler in charge of the sale. They report there will be many hats of the latest styles to choose from. Everyone is invited to attend.

They also started on the plans for their annual Christmas bazaar, the date to be announced later. Mrs. Arthur Marshall will be chairman of it.

After the business meeting Fr. Cecil gave a brief talk and showed a movie. Refreshments were served.

Warren G. Harding was the first U. S. president to speak over the radio.

Three Injured In Car Crashes

There was a two-car crash Sunday afternoon at 5:20 o'clock on Wolf road, in front of the Shopping Bag and last Thursday evening about 6:00 a west bound truck on U.S. 30 is alleged to have wandered over in the eastbound lane and smashed a car. And around 2 o'clock on Wolf road, in front New Lenox man suffered minor injuries when he crashed into a dead-end barricade at Draper avenue and Woodruff road, Joliet.

The two motorists involved in the crash on Wolf road Sunday were issued tickets by State Police Officer Max Luttrell. Theodore E. Fairbairn, 18, of 318 S. Prairie rd., New Lenox, was traveling south when a car driven north by Mrs. Donna M. Kries, 28, of 4226 W. 149th st., Midlothian, is alleged to have made a left turn in front of him to enter the store parking lot.

Luttrell said that Fairbairn admitted driving 40 miles an hour in a 30-mile zone. He left 90 feet of skid marks, the officer stated.

According to Mokena Chief of Police James Smetana, who was first to arrive at the scene Mrs. Linna Fairbairn mother of Theodore, suffered head injuries when she was thrown against the windshield. There were three other passengers in the Fairbairn car and Mrs. Kries had four passengers, one of whom was Mrs. Hans Mueller, 254 E. Front st., Mokena. All escaped injury.

The accident last Thursday evening occurred on U. S. 30 about half a mile east of the intersection with U. S. 45. Billy Gilleand, 29, of 36 Birch st., Park Forest, driving east, suffered head and chest injuries when his car was hit by a west bound truck driven by John H. Cooper, 39, Pontiac. Gilleand was taken to Silver Cross hospital, Joliet for treatment. State Police Sgt. Jack Jones and Officer Robert Bock gave Cooper a ticket for driving in the wrong lane.

Victim of the crash Friday morning at Draper and Woodruff road, was Dennis Norton, 25, Fourth ave., New Lenox. He was treated at Silver Cross for cuts. Norton was given a ticket by Joliet police charging him with driving a car without a state license, ignoring a stop sign and failure to have his car under control. He appeared in Joliet police court last Friday afternoon and was fined \$15.

Many Wonders To Be Displayed At Farm Fair

A blow-pipe that shoots a flame of six-thousand degrees Fahrenheit—a liquid that records 320 degrees below zero—an electric nibbler—a sewerless system. These are just a few of the new products that will be displayed at the Farm Progress Show, Sept. 25 and 26. Two hundred exhibitors will display their wares at the World's Fair of Agriculture at the Frank Simpson farm near Farmer City. The Simpson farm is being turned into a giant midway for the two-day event. A model ranch style home has already been constructed in the center of the show area and is being fully furnished. University of Illinois horticulture experts have landscaped the model farm lawn and garden.

Latest Machinery

Exhibits at the Farm Progress Show range from displays of feeds and seed corn to silos in which to store them. There'll be an outstanding display of farm-shop equipment housed in a building which is ideal for shop, garage and machinery storage. Another building will be a rubber airhouse structure.

Mason Sums Up Work of Congress; Spending Is Cut \$6.1 Billion

By CONG. N. M. MASON
15th District, Illinois

The first session of the Eighty-Fifth Congress was notable more for what it refused to do than what it did do. From that point of view it was a fairly good congress. The following is its "batting score" on major items:

Positive Accomplishments

1. The President asked for a budget of \$71.8 billion. Congress gave him \$67 billion—a cut of \$4.8 billion. However, in spending authority the Congress actually made a cut of \$6.1 billion, the result of reductions made in previous appropriations. (Senator Byrd says the actual cut in spending authority was \$6.5 billion and Senator Lyndon Johnson says it was \$5.9 billion.) Whatever the exact amount, the cut was a substantial one—something to point to with pride.

2. Congress finally passed a watered-down Civil Rights Bill, the first one in over 80 years.

3. Congress passed the Eisenhower Doctrine for the Middle East. What it will accomplish remains to be seen. So far no improvement in the Middle East is noticeable.

4. Congress authorized a treaty providing for United States' participation in a new International Atomic Agency.

5. Congress passed a bill "to protect the secrecy of the FBI files". This was made necessary because of the recent Jencks case decision by our modernized supreme court.

Negative Accomplishments

1. Congress refused to pass the federal aid school building program that the President requested.

2. Congress persisted in reducing foreign aid by \$1 billion—over the President's protest. Personally the writer feels that the entire \$4.5 billion request for foreign aid should have been eliminated because some \$7 billion previously authorized and appropriated for foreign aid but not spent—was available, enough to last for two years.

3. Congress failed to pass a postal rate increase bill to take care of the anticipated \$500 million deficit in the budget of the post office department. Because of this failure the pay increase bills for government workers and postal employees were vetoed by the President.

4. Congress refused to act upon the President's recommendations to authorize the United States to become a member of the "International Organization for Trade Cooperation"—OTC. This would have permitted an International Commission to fix our tariff rates.

5. Congress failed to extend the minimum wage law or increase the minimum wage.

6. Congress failed to give any tax relief of any kind to any group, including small business. This, in the opinion of the writer, was the greatest failure of the congress. Tax relief must be given next year.

An official of a major automobile manufacturing company says that the use of seat belts on all American cars would prevent 21,000 traffic fatalities a year and reduce the number of serious injuries, by half.

cluding crop drying equipment, will be displayed, and many may be seen in action. In addition, 140 varieties of seed corn have just about reached maturity and will be available for inspection.

Farm Progress Show layout is one of the most compact that has been achieved by any such show. Parking lots are close by, and a landing strip for airplanes runs a short distance from the exhibit grounds. Tractors and wagons are being furnished by implement companies to help circulate visitors from the exhibit field through the crop demonstrations and the field machinery operations. There will be eight food tents, all operated by church and civic organizations of DeWitt County. Organizations operating tents will keep the entire profits for their own use.

The Farm Progress Show is sponsored by Prairie Farmer-WLS in cooperation with Frank Simpson, the University of Illinois, and other educational and civic groups.

Sheep Shearing, Stock Judging To Pay Dividends

Expert sheep shearing and judging livestock will pay big dividends this fall to 4-H Club members in the form of college scholarships, U. S. Savings Bonds and other prizes, according to the National Committee on Boys and Girls Club Work. Awards are offered on a national basis in the 4-H sheep shearing program sponsored by Sunbeam Corp., and the livestock judging contest supported by Armour and Company. Both events will take place during the International Live Stock Exposition in Chicago.

In sheep shearing the contestants will be judged on technique, quality of workmanship and speed. The top ranking national winner will receive a \$300 scholarship, and the second place winner a \$150 scholarship. In addition, \$50 U. S. Savings Bonds will be given to six red ribbon winners. A specially designed 4-H championship belt will be presented to the state winner. Sunbeam contributes all of the awards.

The three divisions in the livestock judging contest are beef cattle, sheep and swine. To the highest scoring individuals in each classification will go a \$400 scholarship provided by Armour.

Youth for Christ Rally at Chicago Set for Saturday

The Youth for Christ rally of Chicagoand will be held Saturday Sept. 21 in Orchestra hall in Chicago beginning at 7:30 pm.

Music for the rally will be furnished by the Church of the Open Door choir and quartet under the direction of the Rev. Douglas Fisher of Park Ridge. Bill Pauley will be the song leader.

Admission is free and the doors will open at 6:30. All youths of the Chicagoand are cordially invited to attend this outstanding program.

NIKE Will Hold Open House During Anniversary Week

Open house week will be observed at Orland Park NIKE site Oct. 6-13 in conjunction with the 40th anniversary celebration of the Army Anti-aircraft Artillery.

The public is invited to visit the base that week and make a tour of the area and meet the men of Battery B and the headquarters battery.

The hours will be from 1 o'clock to 4:30 in the afternoons.

The Orland Park NIKE site is located on 153rd street, between 100th and 108th avenues.

Open house is held every Sunday afternoon from 1:30 to 4:30 o'clock at the Orland Park base.

County Votes Funds To Improve Roads In Area

At a meeting last week the Will county board of supervisors voted \$45,000 for a bituminous top for 2½ miles of Francis road from Cedar road to 116th st., Mokena.

The state is putting up most of the money for this and because of a sharp curve at 116th the state is not spending any money to complete the improvement to Wolf road. However, county officials indicated that this strip of black top from Tingley Park to Gougar road, on the west limits of Pilcher Park.

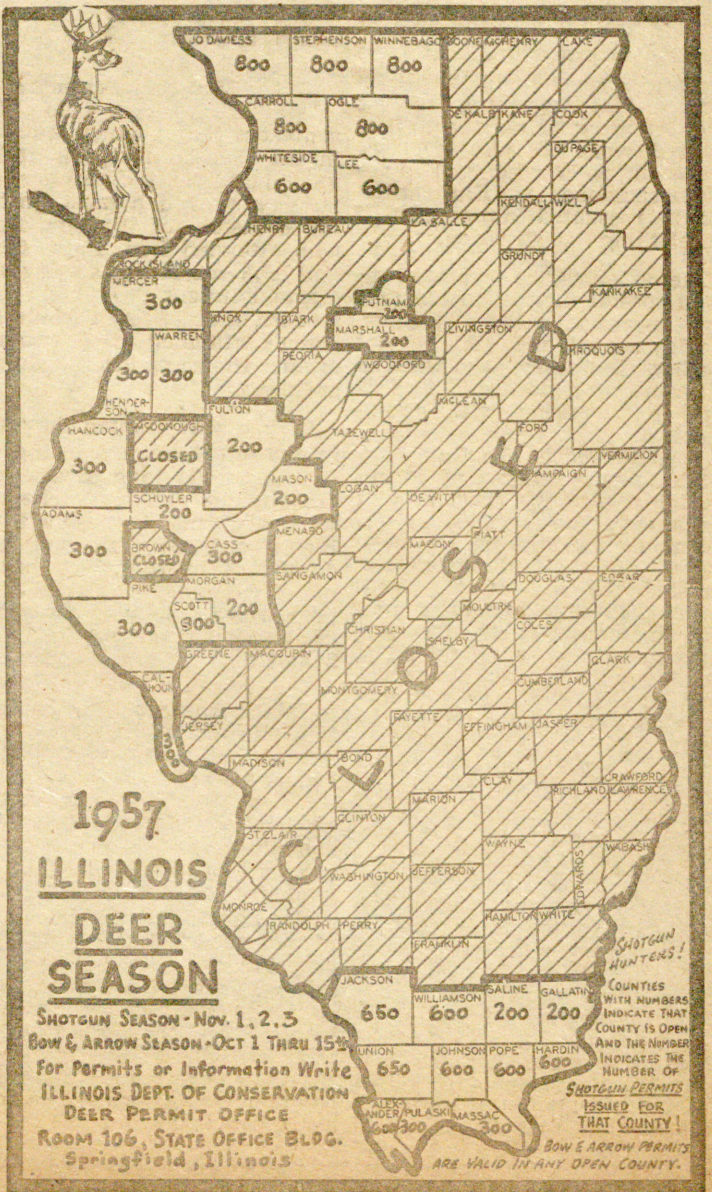

The county board also approved a bituminous top for the 1 3-4 miles of road running from U. S. 30 to Francis rd., just east of Lincoln-Way high school. This road is expected to cost approximately \$60,000. Equipment was moved in this week to proceed with the widening and grading.

The board also earmarked \$35,000 for grade and base for two miles of the Marley road from the Wabash tracks to Wolf road.

Also appropriated was \$50,000 for blacktopping 3¼ miles of N. Cedar road from U. S. 6 to State Route 7. The base is completed.

MR. and MRS. WILLIAM F. HAAS

Beverly Lauffer, William F. Haas Speak Vows at St. John's Church

Miss Beverly Lauffer daughter of Mr. and Mrs. Clarence Lauffer, 183rd st., Tinley Park, became the bride of Sgt. William F. Haas, son of Mr. and Mrs. William F. Haas Sr., 6509 Ravina ave., Tinley Park, Aug. 3.

The ceremony took place in the St. John's United Church of Christ, in Mokena at 4 p.m. with the Rev. William Riemann officiating, using the double ring service.

The altar was decorated with white gladioli and palms with ribbon ties marking the pews.

The Misses Carol and Arline Lauffer, sisters of the bride were the candle lighters. They were dressed in white embossed nylon with pink wristlets.

Mrs. Donald Maue presiding at the organ played a group of love songs as the guests were being seated and also accompanied Miss Marion Andres when she sang, "Because" and "Always."

The bride was escorted by her father. She wore a white gown with a fitted bodice of chantilly lace and long sleeves. The bouffant floor length skirt was of white lace and nylon tulle over an underskirt of ruffles of tulle. Her finger-tip veil of tulle was edged with lace and fell from a crown of seed pearls and sequins. She carried a cascade bouquet of white orchids and stephanotis, and wore a pearl necklace, the gift of the groom.

Mrs. Beverly Elliott, matron of honor, wore a blue chiffon gown, ballerina length, fashioned with soft drape neckline, a fitted bodice with a full skirt and matching head-band. Her flowers were a cascade of gladioli.

The bridesmaids were Miss Doris Yunker, Mrs. Anita Lenenga and Mrs. Jean Bradley. They wore identical gowns of chiffon with matching flowers and head band. Miss Yunker in

light green, Mrs. Lenenga, yellow and Mrs. Bradley in pink. The junior bridesmaid was Miss Joyce Lauffer, sister of the bride who wore a peach sheer nylon dress fashioned as the bridesmaids. She carried matching flowers and headband.

The flower girl was Jolene Rahm, cousin of the bride. She was dressed in orchid nylon and carried orchid colored basket filled with rose petals.

Paul Haas, brother of the groom was ring bearer.

Robert Elliott was best man and James Burt, James O'Neil and Wayne Lauffer were ushers.

The bride's mother wore a sheath dress of blue lace with white accessories. Both had white orchid corsages.

Also present were the maternal grandparents, Mr. and Mrs. Otto Schilling of Tinley Park, Mr. and Mrs. Louis Lauffer, Mokena and the paternal grandmother, Mrs. Alice Palmeter of Tinley Park.

The wedding dinner was served in the church dining room to 100 guests and the reception was held in the evening in the VFW hall in Mokena which was attended by 450 guests. Dancing was enjoyed with Marvin Kollman and his polka band furnishing the music.

After a motor trip to Birchwood, Wis., they have gone to house-keeping at Camp Knox trailer court, Jacksonville, N. C., where the groom is stationed at Le-June, with the marine corp.

Previous to her wedding the bride was employed by the Bartholamew & Clarkson company in Chicago.

Home Economics And Home Bureau Groups Meet

The Will County Home Economics extension council and Home Bureau boards met Sept. 9 in the Farm Bureau rooms in Joliet. Mrs. Harold Scheer and Mrs. Edward Berens presided. Also present were the Mesdames Ben Hirsch, Arnold DeMik, Howard Kurkamp, William Atchison, Norman Krapf, Gailen Hollowat, Clair Hemphill and Wilbur Lauffer.

Mrs. Krapf reported having judged 200 books for the county 4-H clubs.

Plans were completed for the annual meeting held in Manhattan Sept. 17, and for a tour for late October.

Betty Shinn, home advisor gave her August report and announced the HIA kick-off dinner on Sept. 24 for the Blue Cross drive. Two apple pies are expected from each unit for that dinner. On Nov. 8 there will be a craft day for Christmas ideas and decorations and on Nov. 21 there will be a local leader training school on "How To Give a Lesson."

Dr. David Lindstrom, professor of rural sociology, University of Illinois, department of agriculture, was the afternoon's speaker. His subject was, "Farm Women of Japan," in which country he spent several months for the university.

Mrs. Berens and Mrs. Holloway are retiring from the board, having served three years. The next board meeting will be Oct. 14.

St. George Altar And Rosary Society Installs New Officers

The Altar and Rosary society of St. George parish, Tinley Park, installed its newly elected officers at the first meeting of the current society year last week.

Mrs. Reta Wilkins served as the installing officer, and conducted an impressive ceremony. The program chairman, Mrs. Pearl Ellement presented orchid corsages to the outgoing and incoming officers.

The new officers are:

Mrs. Fran Falat, president; Mrs. Genevieve Logsdon, vice president; Mrs. Marge Bechstrom, secretary; Mrs. Betty Krueger, treasurer; Mrs. Monica Kretan and Mrs. Mae Panozzo, delegates and Mrs. Helen Hattendorf and Mrs. Betty Sieracki, alternate delegates.

Mrs. Falat introduced her chairmen for the year.

The Rev. Gordon Campbell, assistant pastor, was introduced to the Altar and Rosary group by the Rev. Thomas O'Connell, pastor, as its spiritual adviser.

Announcement was made of the American Council of Catholic Women conferences which will be held at the Conrad Hilton hotel, Chicago, tomorrow and Saturday. These conferences are divided into two groups: (1) The Informative Catholic Woman, and (2) the Catholic Woman's Spiritual Life. A variety of topics will be discussed in each group. Women interested in attending may get in touch with Mrs. Falat. The registration fee of \$1 is required.

Following the installation and business session a talk on "The Why and What of Foster Home Care," was given by Mrs. Thomas Shields. She emphasized the great need for foster homes and parents.

Refreshments were served by Mrs. Veronica Karr and her committee.

Missouri Couple Wed at Mokena

Jack Treat the Rock Island agent who is substituting at the Mokena railroad station in the absence of Whitney Carter who is ill, was married to Miss Leola Allen of Louisburg, Mo., which also is the home town of Mr. Treat.

The ceremony took place in the Parkview Baptist church in Mokena Sunday morning at 9 o'clock. The Rev. Clarence Sahlin professor at the Northern Baptist seminary in Chicago officiated. The church altar was decorated with flowers.

The bride wore a white lace, street length dress, white hat and gloves and carried a colonial bouquet of white carnations centered with a red rose.

Mr. and Mrs. William Hughes of Blue Island attended the couple.

Present at the wedding were her parents, Mr. and Mrs. Ross Allen and his mother, Mrs. Eva Treat, of Louisburg, and her uncle Wayne Beauchears of Ft. Scott, Kan.

After the wedding a family gathering was held in the home of Mrs. Bessie Newton where wedding cake and ice cream were served. The couple are living with Mrs. Newton for the present.

Lila Lee Martin Becomes Bride Of Allen Stahl

Allen K. Stahl, son of Mr. and Mrs. Ralph Stahl, Sr., of Los Angeles, Calif., and Miss Lila Lee Martin who made her home

with Mrs. Irvin Howes, Mokena, were united in marriage Aug. 23 in the parsonage of the Parkview Baptist church, Mokena at 7 p.m. The Rev. Arthur Contois officiated.

The bride wore a white polished cotton gown with white hat and gloves and a white carnation corsage.

The couple was attended by

Mr. and Mrs. Ronald Elder of Lockport. Mrs. Elder was dressed in a light blue gown with white hat and gloves and wore a white carnation corsage.

The wedding reception was held the same evening in the home of Mr. and Mrs. Elder. The young couple left for a visit with his parents.

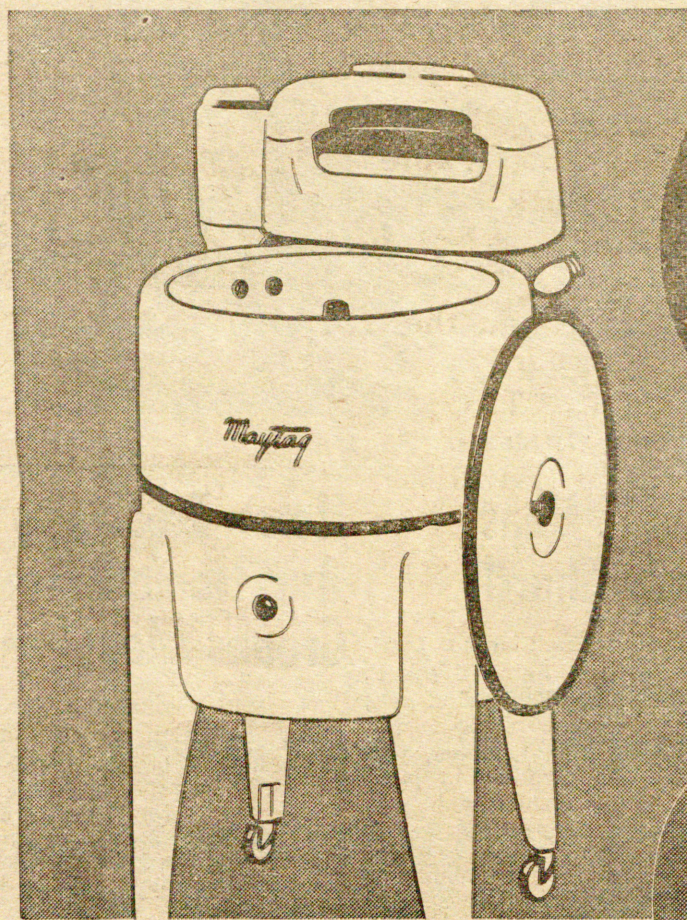

The groom is employed as a core maker at the Hunter Foundry in Mokena.

HOPE FOR RELIEF?

The nation's taxpayers' hope for relief from the discriminatory, excessive federal income rates shines brighter now that legislation to that end has bipartisan support in Congress.

Rep. A. S. Herlong, Jr., Florida Democrat, has introduced a bill identical to one previously introduced by Rep. A. N. Sadlak, Connecticut Republican.

The identical bills would reduce individual and corporate rates—now as high as 91 per cent and 52 percent respectively—to a maximum of 42 per cent by a series of annual reductions during the next five years.

The legislation introduced by both the Northern Republican and the Southern Democrat takes note of the growing, nation-wide revolt against the high tax rates which are eating away at the country's economy.

Relief certainly is long overdue and the Sadlak-Herlong companion bills should be an early order of business at the next session of Congress!

Plan Dinner, Reception, Ball For H. M. Snapp

A banquet, reception and ball honoring Howard M. Snapp, Jr., of Joliet, newly elected grand commander of the Grand Commandery of Knights Templar of the State of Illinois, is to be given Saturday night, Sept. 28, at the Joliet Masonic Temple by Joliet Commandery, No. 4.

All Master Masons, their wives and friends are invited and tickets may be obtained from any officer of the Commandery or at the manager's office at the Masonic Temple, 129 E. Jefferson st., Joliet. A donation of \$2.50 covers the dinner, the reception and the dance.

It is expected that all the officers of the Grand Commandery will be in attendance as well as grand officers of other Masonic bodies in the state.

Hutchison to Speak

Included in the Grand Commandery line is Dr. Elmer A. Albers, of Lockport, who was appointed grand prelate by Grand Commander Snapp. Dr. Albers, like Mr. Snapp, is a past commander of Joliet commandery. He will give the invocation and the benediction.

Probate Judge Stewart C. Hutchison, a member of Joliet Commandery, will be the speaker on the reception program. Flo Daniel, will sing and her accompanist on the temple pipe organ will be Ardis Ege, organist at the Ottawa Street Methodist church of Joliet.

Reservations must not be postmarked not later than midnight, Sept. 22. No tickets will be available at the door until all

reservations have been taken care of, it was announced by those in charge.

The dinner is to begin promptly at 6 o'clock, according to Howard Mead, commander of Joliet Commandery. The reception is to begin at 7:30 and the grand march is scheduled for 9:45 o'clock.

Grand Commander Snapp is a prominent figure in Masonry in the state as well as at Joliet. He served as master of Matte-son lodge, No. 175, Joliet, high

priest of Joliet chapter, Royal Arch Masons; thrice illustrious master of Joliet Council I. R.S.M. and commander of the Commandery.

The nation's first state-supported school of music is 60 years old. It opened in 1897 at the University of Illinois.

LEGAL NOTICE

ORDINANCE NUMBER 402

AN ORDINANCE establishing charges or rates for the use and service of the combined waterworks and sewerage system of the Village of Mokena, Will County Illinois

WHEREAS, the Village of Mokena, Will County, Illinois, by proceedings had in manner and form provided by law, has been authorized to construct a combined municipal waterworks and sewerage system in and for said Village, and has provided for the operation of such combined waterworks and sewerage system as a single utility, all as provided by the laws of Illinois, including particularly Article 62 of the Revised Cities and Villages Act, effective January 1, 1942, as amended, and all laws thereunto enabling; and

WHEREAS, pursuant to the terms of the laws hereinabove referred to and pursuant to the ordinances heretofore adopted by the Board of Trustees of this Village in reference to the construction and improvement of said combined municipal waterworks and sewerage system and in reference to the issuance of waterworks and sewerage revenue bonds for the purpose of financing the construction and improvement of such combined waterworks and sewerage system, it is necessary that the Village of Mokena charge the inhabitants of said Village for the use and the service supplied by said combined municipal waterworks and sewerage system, establish rates and charges therefor, and provide for the collection thereof;

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Mokena, Will County, Illinois, as follows:

Section 1. That there is hereby established an executive department of this Village to be known and designated as the combined Waterworks and Sewerage Department of the Village of Mokena, and there shall be placed in charge of the general management and control thereof a Superintendent, who shall be appointed by the President with the approval of this Village Board of Trustees expressed by ordinance, it being hereby determined and declared that the establishment of said Department and the appointment of a Superintendent thereof is necessary and expedient for the best interests of this Village of Mokena. Said Superintendent shall qualify for office in the same manner as any elective official of said Village and shall post such bond in such amount as may be determined by the President. All necessary employees of said Department shall likewise be appointed by the President with the approval of the Village Board of Trustees expressed by ordinance.

Section 2. That there shall be and there is hereby established rates and charges for the use of and for the services supplied by the combined municipal waterworks and sewerage system of the Village of Mokena, Will County, Illinois, based upon meter readings of the amount of water consumed in each two-month period on each premise supplied with water, sewerage or water and sewerage service by said system, as follows:

	Water Only	Sewer Only	Water and Sewer
For the first 4,000 gallons or fraction thereof	\$7.50	\$5.00	\$9.20
For the next 6,000 gallons or fraction thereof	.75	.50	1.25
For the next 10,000 gallons or fraction thereof	.45	.30	.75
For the excess over 20,000 gallons per 1000	.30	.25	.55

provided, however, that the following minimum charges shall apply for each apartment, flat, place of business or family unit served by or through each service connection for each two (2) month period or fraction thereof:

	Water Only	Water and Sewer
For three-fourths-inch service connection	\$7.50	\$9.20
For one-inch service connection	10.00	14.00
For one-and-one-half-inch service connection	13.00	19.00
For two-inch service connection	17.00	25.00
For two-and-one-half-inch service connection	24.00	36.00
For three-inch service connection	33.00	50.00
For three-and-one-half-inch service connection	60.00	90.00
For four-inch service connection	85.00	127.00

and provided further that a separate minimum charge shall be made for each apartment, flat, place of business or family unit in all buildings containing two or more apartments, two or more flats, two or more places of business or two or more family units, but, provided, further, no minimum charge shall be made for any vacant apartment, flat, or place of business in any such building which said apartment, flat or place of business is vacant during an entire two-month period. For sewer service only, if the water supply of such service is not independently metered, the rate shall be a flat charge of \$8.00 per two-month period for each family using the service within each apartment, flat, place of business or family unit.

For the purpose of this ordinance, the two-month periods referred to herein shall be as follows: (1) June, July, (2) August, September, (3) October, November, (4) December, January, (5) February, March, (6) April, May.

All water supplied shall be metered to the consumer. All new water or sewer service connections shall be installed at the expense of the applicant; provided that the village will install such connection upon written request of the applicant therefore made to the Superintendent and accompanied by a deposit of Fifty Dollars (\$50) for each connection as herein provided. Such application for such installation shall describe the premises to be connected and shall state such other factual information as the Superintendent may require and shall expressly provide that applicant will pay all costs of installation over Fifty Dollars (\$50) within such time as the Superintendent shall require, and that reimbursement to applicant will be promptly made of any funds owing him if such costs of installation are less than Fifty Dollars (\$50).

Section 3. The owner of the premises and the occupant thereof and the user of either water or sewerage service, or both water and sewerage service, shall be jointly and severally liable to pay for the service on said premises, and the service is furnished to the premises by the Village of Mokena only upon the condition that the owner of the premises, occupant and user of the service, are jointly and severally liable therefor to the Village of Mokena. Bills shall be rendered at the end of each two-month period as hereinabove stated and shall be payable within fifteen (15) days after the date of the original bill, then in such a case a penalty of ten per cent (10%) of the amount of the bill shall be added and become due.

Section 4. In the event said rates or charges for water and sewerage service, or either of them, including any penalty then due are not paid within thirty (30) days after the rendition of the bill for such service, such charges and penalties shall be deemed and are hereby declared to be delinquent, and thereafter such delinquencies shall constitute liens upon the real estate for which such services are supplied, and the Village Clerk is hereby authorized and directed to file sworn statements showing such delinquencies in the office of the Recorder of Deeds of Will County, Illinois, and the filing of such statements shall be deemed notice

for the payment of such charges and penalties for such services.

Section 5. If all charges and penalties for water and sewerage service, or either of them, are not paid within forty (40) days after the rendition of the bill for such service, then such service shall be discontinued without further notice and shall not be reinstated until all past due bills and penalties due thereon are paid in full, together with payment of One and 50/100 Dollars (\$1.50) made for reinstating such service.

Section 6. It is hereby made the duty of the Village Clerk of said Village to render bills for water and sewerage service, or either of them, and all other charges in connection therewith, and to collect all moneys due thereon, and it is hereby made the duty of all officials of said Village to enforce payment of all unpaid bills and penalties in the manner, form, time and procedure under the laws of the State of Illinois thereunto enabling.

Section 7. All revenues and moneys derived from the operation of the combined waterworks and sewerage system shall be held by the Village Clerk separate and apart from his private funds and separate and apart from all other funds of the Village, and all of said sums, without any deductions whatsoever, shall be delivered to the Village Treasurer not more than ten (10) days after the receipt of the same, or at such more frequent intervals as may from time to time be directed by the Village Board of Trustees.

Section 8. The Village Treasurer shall receive all such revenues from the combined waterworks and sewerage system and all other funds and moneys incident to the operation of said system, as the same may be delivered to him, and deposit the same in a separate fund designated as the "Waterworks and Sewerage Fund of the Village of Mokena," and said Treasurer shall administer said fund in every respect in the manner provided by Article 62 of the Revised Cities and Villages Act, and all other laws thereunto enabling.

Section 9. Said Village Treasurer shall establish a proper system of accounts and shall keep proper books, records and accounts, in which complete and correct entries shall be made of all transactions relative to the combined waterworks and sewerage system, and at regular annual intervals the Village Board of Trustees shall cause to be made an audit, by an independent auditing concern, of the books to show the receipts and disbursements of the combined system.

Section 10. That a copy of this ordinance, properly certified by the Village Clerk, shall be filed in the office of the Recorder of Deeds of Will County, Illinois, and shall be deemed notice to all owners of real estate of their liability for water and sewerage service supplied any occupant or user of such services on their properties.

Section 11. All ordinances and parts of ordinances in conflict herewith are hereby repealed insofar as the conflicting portions thereof are concerned.

Section 12. This ordinance shall be in full force and effect upon its passage and publication as provided by law on October 1, 1957.

MOKENA

The Ladies auxiliary of the William Martin VFW post will sponsor their regular card party in their hall Saturday evening, Sept. 21.

The infant son of Mr. and Mrs. Donald H. Smith Jr., of Tustin, Calif., was baptised in St. John's Union church Sunday morning during services. The name given was Donald Howard. Sponsors were Mr. and Mrs. James Dent of New Lenox. Mrs. Smith is the former Shirley Jones of Mokena.

Mrs. Louise Hentsch entered Silver Cross hospital Monday, for the second time within a few weeks. She will undergo a second surgery this morning.

Mr. and Mrs. Al Kruel of Lancaster, Wis., were supper guests Thursday in the home of her niece, Mr. and Mrs. James L. Murphy. Friday morning Mrs. Russell Bettenhausen and son Larry called at the Murphy home to visit with her aunt, Mrs. Kruel. The two nieces had not seen their aunt for 23 years, and all enjoyed the visit greatly.

A son was born to Mr. and Mrs. Harold Homering, 148 Cross st., in Silver Cross hospital Saturday, Sept. 14. The young man has been named Jay Robert and weighed six pounds. He and his mother returned home Wednesday.

Knights Wallop Lemont In Opener

Lincoln-Way To Meet Mustangs Tomorrow In Conference Game

By DENNY WHEELER

Friday evening, the Knights of Lincoln-Way surprised everyone but themselves with a stunning 18-0 whitewash over the Lemont Indians in their season's opener under the arcs of Lemont.

Led by veteran quarterback Ron Fredin and the smashing line play of giants Lee Gear and Del Yunker, the Knights completely dominated the contest despite the loss of pile-driving fullback John Marcoux who was on the sidelines nursing torn ligaments in his right knee.

Fredin tallied all three of the Big Black's touchdowns but was backed up by the spinning line backs of Jim Staffenberg and speedy Don Carter in gaining in excess of 400 yards against the Indians.

Drive Deep Quickly

After Bob Hughes ran the opening kickoff to the 18, Don Carter plowed five yards off tackle and Stauffenberg broke loose to a first down to the L-W 40. Hughes picked up two and Stauffenberg whirled eight yards to another first down at the midfield stripe. Then Ron Fredin took off on a 35 yard jaunt behind expert blocking to the Lemont 15. However, a 15-yard holding violation momentarily stalled the charge as L-W was unable to make a first down.

Savage defense drove the Indians to their own two but a long pass moved them to the 35. At this point Don Madsen recovered a fumble and this time the Knights drove to the Lemont 18 before being stemmed.

The Indians were able to move three yards before being forced to punt to their 43.

The quarter ended with the Knights in possession on the Lemont 10. On the next play Fredin bolted into the end zone to put Lincoln-Way in front 6-0. The extra point failed.

Shortly before halftime Lemont finally moved out of their territory penetrating to the L-W 35 before the Knights' forces stiffened and took over there. Once again Fredin engineered his charges upfield but the clock nipped him with the ball resting on the Lemont 12.

Fredin Runs 60 Yards

Lemont seemed somewhat revitalized after the intermission as Sanders returned the kick to midfield, almost breaking away completely. Lincoln-Way held the Indians to no gain in three plays but a long pass on fourth down gained a first down deep in L-W territory. Again the Knights stopped the drive momentarily and again Lemont resorted to fourth down heroics. But this time Fredin stepped in front of the long pass and run 60 yards down the south sideline to paydirt. The conversion was foiled again but Lincoln-Way now led 12-0.

The fourth quarter began with the ball at midfield in possession of the Red and Black. It only took two plays to secure the Knights' third score as Fredin raced 23 and 27 yards respectively behind skillful and savage blocking.

Start Conference Play

Coach Jonas Lashmet, seeing victory, emptied the bench and the final gun reported with Lincoln-Way on top 18-0.

Tomorrow afternoon at 3 o'clock the Knights entertain Evergreen Park as they launch their conference campaign. This year promises to be the most thrilling race in the league's existence with every team rated a chance to cop the crown.

Be among the hundreds at Lincoln-Way to enjoy this spectacle which will see the Knights march one step closer to the hallowed championship.

Keeping Range In Condition A 'Must' In Archery

Mowing grass—by the alphabet, not the number—is one of the duties of Tinley Park Archery club members, according to the rules of the range which have just been made public.

The mowing is necessary to keep the range in shape, and is not too much of a chore.

Members of the archery club have a lot of fun and there is still opportunity to join. Members must be over 18 years of age. A. L. Cote, of 8300 West 123rd st., Palos Park, is membership chairman and persons interested in joining the group may write Mr. Cote at the above address or call him at Gibson 8-6142.

Any suggestions for improving the range are welcomed by the club.

The range rules adopted to date are:

1. The range captains and/or the paramount lady are in charge of the range at all times.
2. Children shall be kept behind the wire at the shooting line.
3. When arrows are found that belong to another member, they should be placed in the ground in an upright position where they are found. In this manner the owner may retrieve them and at the same time see where he or she is overshooting the target.
4. Shooting or retrieving arrows will be done only after the range captain or paramount lady have given the signal to do so.
5. Each member shall mow the grass on the Sunday morning designated for him or her. This is being done alphabetically. Care of the range, butts, targets and other range equipment is every member's responsibility.

Eagle Varsity Loses To Elmhurst 7 to 0; Face Bremen Saturday

Carl Sandburg football squads divided a double bill with Elmhurst last week-end to open the 1957 season. Elmhurst took the varsity game 7 to 0 but the Sandburg frosh-soph won the curtain-raiser 13 to 6.

In the varsity contest Louis Cornille, quarterback of Elmhurst, scored the game's lone touchdown on an 18-yard sweep around the Eagles' right flank in the second quarter. Bob Quinn booted the extra point. Sandburg controlled the ball most of the second half and with four minutes remaining in the game the Eagles were on the Elmhurst eight yard line. It was fourth down and two yards for a first down and goal to go, but the Sandburgs fell short.

5-Yard Morlock

Individual honors went to Jay Morlock, of the Eagles, who picked up 70 yards in 14 carries for a very respectable average of five yards. Bob Wilkins of Elmhurst made 74 yards on 17 tries, an average of 4.3 yards per carry.

Elmhurst made nine first downs to Sandburg's eight. Elmhurst picked up eight of its downs by passing and the other four by rushing. Sandburg made two first downs by rushing and six via the air.

There were 78 rushing plays, 40 by Elmhurst and 38 by Sandburg. Elmhurst gained a total of 146 yards and Sandburg 136. Neither team punted frequently. Elmhurst kicked four times for a total of 96 yards, an average of 24 yards a punt. Sandburg punted twice for a total of 26 yards. The Eagles ran back four punts for a total of 20 yards while Elmhurst returned two for a total of three yards. Penalties were few, Elmhurst losing 10 yards and Sandburg 15.

Meet Bremen Saturday

In the frosh-soph game Elmhurst scored on a spectacular 85-yard run. Less on the show side but counting the same number of points was Dick Barry's 12-yard sweep. Both teams missed the point after touchdown so the score remained at 6-all until Bob Paulik of the Eagles recovered a Sandburg fumble in the end zone for another six points. Jerry McBride kicked the extra point so the game wound up with Sandburg 13, Elmhurst 6.

The Sandburg varsity will launch its play in the Southwest Suburban conference Saturday afternoon, Sept. 21 against Bremen. The game will be played at Sandburg and is scheduled

Take Prizes at Horse Shows

Brilliant Fashion, owned by Mr. and Mrs. Robert Brown, E. Wood st., New Lenox, and driven by Mr. Brown, took a first in the driving class at the Northwest Homer Saddle and Harness club show at Lockport last Sunday.

Members of the New Lenox Riding club also fared well. Jane Morrison, took second place in the children's western horsemanship class. Ginger Play Girl, owned by Mr. and Mrs. E. C. Olsen, of Shady Acres placed third in the English pleasure and Western pleasure events. Ike, owned and ridden by Glen Vally, placed second, and Smoky, owned by Beverly Vally and ridden by David Bruns took fourth in the Western pleasure class.

Sunday evening the Kankakee Valley Saddle club held a show at Grant Park, at which Capitol City Rex, driven by Mr. Brown took second in the fine harness class and Ginger Play Girl ridden by Mrs. Olsen placed second in the English pleasure class.

Bob Tattersal, Willie Wildhaber To Vie For Honors in 50-lap Race

Feature race champ Bob Tattersal and Willie Wildhaber for the second straight year will vie for honors in the "long distance" division, when the midget auto engage in a 50 lap main event Saturday night at Joliet Memorial stadium.

Tattersal, the Streator veteran who has won eight feature races this season, and Wildhaber have one 50 lap victory apiece.

That's the same status they held at this time last year, when Wildhaber went on to pocket distance race victory No. 2 in the season championship 50-lap-per.

Saturday's season championship event won't finish the racing season this year, however. The midget autos will compete again the following Saturday night (Sept. 28) and may go on

into October for one or two Sunday afternoons.

Wildhaber, of Lexington, Ill., is having one of his finest seasons. He established a new track record in the time trials last week with a one-lap clocking of 19.03 seconds. He and George Sallery of Chicago each has won three features this season.

Others trying for honors will include Willie Wilson of Bensenville, Paul Kerber of Elgin, Johnny Riva of Morton Grove, Joliet's Bernie Wilhelmi and and Bill Finke and Ray Elliott and Newt White of Lockport.

Time trials Saturday will start at 7:30 p.m. and the first race

at 8:30 p.m. There will be four heat races, a handicap and 15 lap semifeature in addition to the 50 lap feature.

Paulist Choristers To Give Auditions Thru Appointment

Mrs. Frank Parker and Mrs. Robert Jungles entertained the Pilgrim Matrons of Lockport Congregational church at a picnic meeting in the Jungle home last Thursday afternoon. Several Homer women joined the group of club women who toured Stateville Sunday afternoon.

Mrs. Roy Voight who has been a medical patient in Silver Cross hospital for the past two weeks will be removed to the home of her daughter, Mrs. Thor Larsen in New Lenox this week.

The Loren Anderson family are nicely located on a farm near Oswego. They moved from the Marple farm following Mr. Marple's sale of farm equipment.

Mr. and Mrs. John White and baby daughter are living in the Henry Rodgers home. Mr. White is attending school in Chicago. Mrs. Rodgers is teaching school at Wells Corner.

Mr. and Mrs. Willard G. Rowley were Urbana visitors for a few days last week.

Harold Drewes underwent major surgery in Silver Cross hospital last Monday. He is doing nicely.

A group of Homer church women will attend an Institute on Missions and Education at the Wesley Methodist church in Aurora, Thursday, Sept. 26. Those expecting to go are Mrs. Iola Storm, Mrs. Caroline Ott, Mrs. E. J. Paddock and Mrs. H. M. Finley.

Mrs. Robert Shepherd, Sr., attended a meeting of Federated Dill clubs in Chicago Saturday. At that time the newly organized Joliet club area club of which Mrs. Shepherd is president, was received into the federation.

Misses Susanne and Edna Mae Burcham and Bonnie Mlynarik accompanied their Scout troop to Chicago for a day's outing Sunday.

The Missionary society will meet with Mrs. John Hollister, Sept. 26 at one o'clock. Plans for the fall festival will be discussed.

At the short business session in the Homer church Sunday, it was decided to continue in the non-merger group of Congregational Christian churches by a nearly unanimous vote.

The Rev. Donn Wright of Joliet will fill the Homer pulpit next Sunday. He was present at a meeting of the diaconate at the church last Thursday evening.

Betty Anderson was an over night guest of her friend, Mary Ann Becker Sunday.

Mrs. Reed Burch and Mrs. Frank Loucks attended a board meeting of the African Violet District council of Northern Illinois last Monday at the Blue Willow Tea room on route 7. Mrs. Burch is treasurer of the group.

All interested teenagers are invited to attend the opening meeting of the season of Homer Pilgrim Fellowship group in the John Hollister home at seven o'clock next Sunday evening.

The board of school District 33C met Monday evening at Hadley school to approve the budget for the coming year.

The horse show sponsored by the Riding club of northwest Homer was well attended and very interesting. It was held at the John Donahue farm for the benefit of the fire department.

Sees Milk Prices Stable Under Support Plan

R. E. JACOBSON
(Dept. of Agriculture Economics)

The government support program will continue to lend stability to milk prices in the next few months. Present support levels of \$3.25 (83 per cent of parity) per hundred pounds for manufacturing milk of 3.95 per cent butterfat, and 58.6 cents

Sears to Show 1958 Farm Equip. Line In Peotone Exhibit

Farm equipment valued at more than \$100,000 will be displayed at the one-day David Bradley country fair to be held Friday, Sept. 27, at the Will county fair grounds near Peotone. The fair, which is free, is sponsored by the farm-equipment department of Sears, Roebuck and Co. to show their 1958 line of farm and garden equipment.

blend prices to fluid milk producers may be somewhat lower than in the preceding 12 months because of the large surpluses in the market pools.

Continued increased milk production is responsible for these surpluses. In 1956 an all-time high of 125.7 billion pounds was produced in the United States. However, the first half of 1957 showed a production gain of but one per cent over 1956, and most of this increase went to fluid milk outlets. The increased production is made possible by a record rate of milk output per cow. The 23 million milk cows in the nation, smallest number since 1929, are averaging over 6,000 pounds of milk annually (6,700 in Illinois), up 35 per cent from 1929. Favorable pasture conditions and supplies of feed concentrates have contributed to the high rate this year. The milk-feed price ratio will products are very slight. Per capita consumption of dairy products in 1956 was 699 pounds, of which 355 pounds was fluid milk and cream. continue favorable.

Increased milk production is being taken care of largely by the increased population. The present United States population, in excess of 171 million people, is growing by 2 million a year. Changes in consumption trends of the individual dairy

The gap between total milk production and total milk consumption continues to necessitate government purchases of dairy products at the support levels. In 1956 over 5 billion pounds milk equivalent of butter, Cheddar cheese, and non-fat dry milk solids were taken over by the CCC. At the present time, government purchases are running slightly above last year.

The trend toward fewer and larger dairy farms will continue. Dairymen must continue to decide whether to make the necessary expenditures for a full-scale dairy enterprise or get out completely. Since January 1954, 3,700 producers in the Chicago market have answered this question by getting out.

With a great number of foreign cars and other vehicles of unusual design on the roads, the motorist should look carefully when moving from one lane to another. Frequently the front and rear of such cars are strikingly similar.

(80 per cent of parity) per pound of butterfat will be in effect at least thru April 1, 1958. In Illinois markets, however,

Cub Scout Pack 40

The first roundup of Cub Scout, Pack 40 of this fall season will be held in the Mokena public school, Carpenter st., Thursday Sept. 26 starting at 7:30 p. m. The application of new members will be received at that time according to Cub Master George Gorman. Four new dens have been added making a total of nine dens. The new den mothers are, Mrs. Charles Hostert, Mrs. Gordon Spiess, Mrs. Charles Kiedaich and Mrs. Albert Schwartz. It is hoped that all parents will attend this first meeting so a good start can be

had on the Cub Scout work for this season.

New Library Books

The September meeting of the Mokena Book club was held in the home of Mrs. George Carlisle with 18 members and four guests present. Following the business meeting Mrs. Richard Hird reviewed "Garden Facts and Fancies" by Carl Hotz.

Announcement was made that a new shipment of 300 State library books are now on the shelves. The group includes books for the very young, the school child, teenagers and adults.

The Mokena Book club library is located on Front street, two doors west of Wannemacher's store. It is open Wednesday evenings from 7:30 to 9. All residents in the Mokena area are eligible to use the library, with children requiring the signature of their parents before taking books out.

The infant daughter of Mr. and Mrs. Harry Yunker was baptised Sunday Sept. 15 during the morning service in the Immanuel Lutheran church. The Rev. A. W. Gode officiated. The name given was Delyn Elaine. Sponsors were Mrs. Robert Geuther the Rev. William L. Bartling, Walter Yunker and Chester Ebert. The baby wore the christening dress wore by her grand mother Mrs. Albert Hoger when she was christened 70 years ago. A 4 o'clock dinner

Orchard Hill School Begins Eleventh Year

The old farm bell is ringing again calling the Orchard Hill Kindergarten children to the farm school. The big yellow school buses come up the hill every morning and the children pour out to start another day of learning and new experiences. Mrs. Leslie Johnson opened her century old farmstead near Tinley Park for the 11th year to the area's young fry.

The music room has "Mr. Piano" ably played by Mrs. Mager and Mrs. Johnson, who help the children play musical games and appreciate rhythm. Many war whoops and Indian dances will be heard this month since Indians are September's theme.

In the story room, Mrs. Chas. Luger tells many stories to help youngsters understand the nature around them and the Indian way of life.

Study Indians

In the project room, Mrs. John Hult has been busy with crayon and paste making teepees, Indians, and canoes to show how the Indians lived and dressed.

In the nature room, Mrs. Paul Van Slyke, school nurse, not only feeds the children cocoa and crackers, but points out fascinating activities out the picture window. She also makes crowns for the birthday pupils.

Mrs. Geo. Robinson does magic tricks with Belinda the cow's milk, until it becomes cocoa. Belinda lives on the farm.

Mrs. Harry Adduci and Mrs. James Smith teach the "Yellow Feathers" (junior kindergartners). They introduce visits to each of the rooms on schedule.

The Red Barn's hayloft no longer has hay for Patches Pony, Ginger and Amigo (the horses), but pupils, who after climbing the new broad staircase, play circle games in front of the new picture windows. This way they can see the sweeping country side around them.

Will Visit Museum

Before anyone is ready, the yellow buses come to take the pupils home. Late this month the buses will take the teachers, pupils and visiting mothers to the Natural History museum to learn first hand more about Indians.

Children attending Orchard Hill from this area are: Jennifer Otto, David and Judy Dralle, Kathy Bradon, William and Fredrick Sturmer, Jimmy Tindall, Ingrid Ammendson, Thomas McArdle, Lynn Schumaker, David Sylwestrak, Lawrence Becker and Kirk Phelps.

Also Marie Benson, Alfred Brown, Linda Cushman, Jeffrey Ebelle, Susan Fealner, Michael Fleming, Jacqueline Fockrod, Wayne Gerth, Terry Hugh-

ARBOR PARK

Sgt. John Frega of the Cook county Police gave an instructive talk at the Arbor Park PTA, Oak Forest, meeting of Sept. 12.

The PTA executive board was introduced by the president, Mrs. Robert Boza, as follows: Mrs. Peter Buis, first vice president; Mrs. Gunnard Johnson, second vice president and program chair man; Mrs. Norman Ertman, secretary; Mrs. Herbert Elliot, treasurer and Mrs. Robert Klecka, historian.

The president and secretary of the board of education were introduced: Gunnard Johnson, president and Joseph Lindsay, secretary. The various chairmen were presented, as were also the faculty and personnel.

It was decided to change the meeting date from the second to the third Thursday of each month. The next meeting will be Oct. 17.

It was announced that the PTA will again sponsor the insurance program for the children.

Refreshments were served by the PTA executive board.

Don't try to save time by crowding extra hundreds of miles into your daily driving schedule. Whether you are vacationing or traveling on a business trip, your daily driving stint should be planned to reduce fatigue one of the motorist's most dangerous enemies.

In an average package there are approximately 93 yards of spaghetti.

City Sales Taxes Down In July

A report issued this week by the state department of revenue shows that city sales tax collections for July netted 934 municipalities in Illinois \$4,045,015.

Before the state took six per cent for handling the money the amount collected was \$4,303,208.

More municipalities have joined the ranks of those assessing the half-cent tax on sales so the current total is 973.

Communities in this area who collect sales taxes found the amounts lower than usual but this decrease is attributed to the mid-summer slump in sales. New Lenox was an exception—the amount there was up. The amounts received are:

Tinley Park, \$2,164; New Lenox, \$1,203; Frankfort, \$861; Mokena, \$754; Orland Park, \$550; Manhattan, \$545; Matteson, \$571; Midlothian, \$2,400; Oak Forest, \$681; Oak Lawn, \$9,060; Markham, \$817; Robbins, \$417; Posen, \$817; Hazel Crest, \$1,170; Lockport, \$3,047; Park Forest, \$9,114; Evergreen Park, \$17,278; Chicago Heights, \$21,614; Blue Island, \$13,555; Joliet, \$47,878. Chicago collected \$1,846,241.

a NEW IDEA in mounted pickers

- Snapping rolls can be spaced, easily, from tractor seat.
- Gathering unit and elevator ear deflector are controlled from tractor seat.

At last! A 2-row mounted picker with truly ample husking capacity. Weight of biggest husking bed on any mounted picker shared by trailing unit wheels. Ten 40 inch husking rolls and 10 individually operated presser wheels get all the husks. Snapping and husking rolls are same type as those

on state and national contest-winning NEW IDEA pickers.

You can change this New IDEA mounted picker to a new or different tractor by an inexpensive switch of mounting brackets. Lets you change tractors without penalty—assures higher resale value.

The logical picker for tomorrow's bigger yields

MOKENA, ILLINOIS

MINIMUM FOR SERVICE—

(Continued from Page 1)
ers will be read every two months and bills sent out for same. The months will be linked as follows: October and November; December and January; February and March; April and May; June and July, and August and September.

Effective Oct. 1

The minimum water rate will be \$7.50 for a two-month period if no more than 4000 gallons are consumed. The owner of the property, the occupant and the user are jointly and severally liable to pay for the service. Bills must be paid within 15 days after receipt if a 10 per cent is to be avoided, the ordinance provides. When a bill is 30 days overdue the account is held to be delinquent and becomes a lien on the real estate. The village clerk is instructed to file a notice of the delinquency with the county recorder. Failure to pay a bill within 40 days, the measure provides, will result in cutting off the service. Before service can be restored the bill must be paid in full, plus a fee of \$1.50 for turning on the water.

Separate Rate for Flats

Provision also is made in the ordinance covering apartments, flats and family units in all buildings containing two or more apartments, flats, place of business or family units. If a unit be vacant for an entire two-month period there will be no charge for service.

The measure sets up a waterworks and sewerage department and provides for a superintendent is likely to be the same

person who will operate the sewage disposal plant.

Money collected for sewer and water service will be kept in a special fund to be known as the Waterworks and Sewerage Fund.

Rate Schedule

The rates set up in the ordinance are as follows:	(a)	(b)	(c)
month period)			
1st 4,000 gal.	\$7.50	\$5.00	\$9.20
Next 6,000 gal.			
of fraction thereof per 1,000 gal.	.75	.50	1.25
Next 10,000 gal. or fraction, per 1,000 gallons	.45	.30	.75
Over 20,000 gal. per 1,000 gallons	.30	.25	.55

(a), Water only; (b), Sewer only; (c), Water and sewer.

Apartment, flat, place of business or family unit served thru each service connection: (two-month period).

had made, stacked in an amazingly firm manner. This was used to walk across—a stream, low area—or what have you.

Those who missed the camp fire program really missed a fine affair. There were top notch Indian dances put on by the DeCamp and Bushell boys and their buddies from Richton Park.

This writer believes that citizens should attend these activities and see and encourage our youth in their activities, instead of talking about the delinquencies of the youths of today.

Our hats should be off to the Scout leaders who give an amazing amount of their time in leading this youth program. Arthur Omland, Mokena Scout Master of troop 40, who has been in this work for 15 years, and now for the past two years assisted by Bert Janner. Robert Buckler, New Lenox Scout master for troop 49 is assisted by Ron Whitaker. They are surely doing a wonderful job.

(Continued from Page 1)
after for ten weeks.

The course will be given by Maurice P. Angland who successfully taught the class last semester. Mr. Angland writes the regular column on Business and Finance which appears in the Semmler Newspapers.

Mr. Angland is a resident of Mokena and is associated with Reynolds & Co., members of the New York Stock Exchange, in their Chicago Heights, Illinois office. He entered the investment field with the investment affiliate of the Chase National Bank of New York in their Minneapolis office, after several years in the American Consular Service stationed in Stockholm, Sweden and assigned to commercial research.

After leaving the Chase National Bank organization, he headed an investment firm in Minneapolis and later moved to the Chicago area.

It is Mr. Angland's desire to have the course cover investment problems of current interest and with emphasis on their relation to national and international development. It is also desirable to keep the class small enough so that a discussion period is possible.

Youth Loses Both Feet In Rail Accident

A 19 year-old boy who identified himself as Robert Dickey, of 2115 N. 31st st., Philadelphia, is in Silver Cross hospital with both feet amputated as a result of being struck by an E.J. & E. train near New Lenox last Saturday afternoon.

Apparently Dickey fell asleep on the track. O. F. Carlson, 323 N. Briggs st., Joliet engineer of the east bound freight, told authorities that he first noticed what appeared to be a large piece of brown paper between the rails. As the train drew nearer Carlson could see that the object was a person.

He sounded the whistle and set the brakes but the person didn't move, Carlson said. Dickey was caught by the undercarriage of the diesel and dragged about four car lengths before the train came to a halt. He was held under the rear of the first unit of the engine and the train had to be backed six feet to free him.

Dr. Irving Rudman, of the Hedges clinic at Frankfort, treated Dickey for shock at the scene while waiting for the Gerald Dames and Sons ambulance.

Dickey had a companion, he told Deputy Sheriffs Wayne Thornberg and Lee Ruphard, but he fled before the officers arrived. Dickey did not know the name of the other youth, he said.

Mrs. C. M. O'Reilly and Mrs. M. Palasz, chairman of the Hat Sale to be given by the St. Michael Altar and Rosary society, Saturday, Sept. 21 and Sunday, Sept. 22, wish to invite all the ladies and young girls to the sale. Along with an abundant variety of millinery for all ages, there will be lovely handbags and jewelry to purchase.

The membership tea of the Orland Park Junior Womans club will be held Sunday, Sept. 22 from 2 to 4 pm. in the home of Mrs. Merrill Cooper, Union ave. All members and prospective members are invited.

As a reminder, the social and card party given by the Orland Park Senior Woman's club will be held in the Orland Park elementary school gym, Friday Sept. 27 at 7:30 pm. There will also be a silent auction and refreshments will be served. Secure your tickets from any member or at the door. Ladies and gentlemen are invited to attend and have a full evening of fun.

The Esther circle, formerly the Day circle, of Orland Park Methodist church Woman's Society of Christian Service, will meet in Wesley hall, Thursday morning, Sept. 26 at 11 a.m. Members should bring a sandwich and the hostesses, Mrs. Ray Doctor and Mrs. Thos. Wheeler, will serve coffee and dessert.

The Woman's Society of Christian Service will sponsor their annual fall supper, Thursday, Oct. 3 in the church dining room. A turkey supper and all the trimmings will be served, starting at 4:30 p. m. There will be a fancywork booth, rugs and a country store held in Wesley hall. Everyone is invited.

The Ladies Aid of Christ Lutheran church will sponsor their annual fall supper and bazaar Thursday, Oct. 10. They will serve a beef supper at 5 p. m. Sale of fancy work, candy, bake booth etc., will be open at 3 p. m. Everyone invited.

The first quarterly meeting of the WSCS, Orland Park Methodist church was held in the church recreation room, Sept. 12. Mrs. Robert Plastow presented the devotional period. The Rev. Robert Plastow showed colored slides of the Black Hills Passion play at Spearfish, South Dakota. This play is presented in a natural amphitheater, and the Rev. Mr. Plastow was given permission to take these flash pictures from the orchestra pit. Refreshments were served by Miss Augusta Peterson and Mrs. Harry Anderson.

Mrs. Karl Ekberg and Mrs. Stanley Ray were guests of Mrs. L. L. Lipschutz, who is director of the South Suburban Cancer society, at a "Koffee Musical", held at Olympia Fields Country club, Sept. 13. The affair was

given by the St. James hospital auxiliary. Mrs. Lipschutz and Mrs. R. T. Murphy were chairmen.

Mrs. Gilbert VonVog was a patient in St. Francis hospital Blue Island. She underwent surgery last Wednesday, is home and convalescing nicely.

Mrs. Milton Yunker had the misfortune last Wednesday to make a misstep on her back porch, falling and injuring her ankle. She was taken to Little Company of Mary hospital where it was found that her ankle was broken in three places. It has been placed in a cast. She is suffering quite a bit of pain.

Mr. and Mrs. Arthur Oakes of Chicago entertained at a party Sept. 7 honoring the third birthday of their son David, which was Sept. 11. Guests were: grandparents, Mr. and Mrs. Walter Yunker, son Walter Jr., Mr. and Mrs. James Gray and family, and Mr. and Mrs. Wallace Yunker and family of Mokena.

Mr. and Mrs. Andrew Braasch are being congratulated on the birth of another grandson, born Thursday, Sept. 12 in Little Company of Mary hospital. The infant weighed seven pounds, and has been named Jerry Scott. Parents are Mr. and Mrs. Chester Nosal of Chicago. Mother and son are doing fine. Grandma Braasch is taking care of the new baby's brother and sister.

Mr. and Mrs. William Heatherwick and Mr. and Mrs. Gus

Oelke spent several days last week with friends at Crooked Lake, Angola, Ind.

Mr. and Mrs. Clarence Wilmington of Lockport were guests on Thursday in the home of Mrs. Mary Marshall.

Mr. and Mrs. E. D. Gillette, Mr. and Mrs. Edward Sproat and daughter Bonnie and Mr. and Mrs. Russel Lauffer and family were guests at a family gathering on Sunday in the home of Mr. and Mrs. Burton Gillette in New Lenox. The affair was in honor of Richard Gillette, who just returned from Japan after serving for two years in the Navy there.

Pfc. and Mrs. Jerry Waugh of the NIKE base at Orland Park, were week-end guests in the home of Mrs. Mary Marshall.

Guests on Sunday in the home of Mrs. Mary Marshall were Mr. and Mrs. Lawrence Hyder of Plainwell, Michigan; Carl Standmeyer, Mrs. Fannie Johnson and Mr. and Mrs. C. W. Thomas of Joliet.

Mrs. Louise Cutler returned to her home in Plainwell, Mich., on Sunday, with the Lawrence Hydres, after spending several weeks with friends and relatives here.

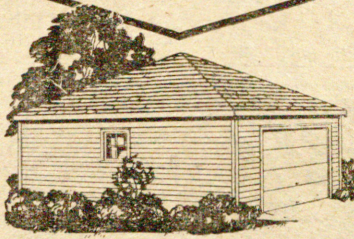

Is your turn signal on? How many times do you pass another car who turn signal is steadily blinking an intention to turn, although the driver is proceeding straight ahead? Yet you yourself may be committing this driving error. Make sure that your turn signal is not blink, particularly after making turns of less than 90 degrees. It confuses other drivers and may cause another accident.

Because it conducts electricity much more readily in the light than in the dark, the element selenium is valuable for photo-electric applications.

American banks now have outstanding loans of \$111,260,000,000—10 per cent more than in 1956, according to an article in The American Weekly.

Ann Rutledge PTA Holds First Meeting of Year

Mrs. Emil Wille
Frankfort 3161

The Ann Rutledge PTA met in the school for their first fall meeting Sept. 9.

Mrs. Walter Niedringhaus, president presided. After the pledge to the flag the PTA prayer was read by Floyd Martin.

A committee was appointed to work with the board of education to procure a basket ball court in the school yard.

Mrs. Donald Ball, program chairman, introduced John Van Donk, president of the board of education, who in turn introduced the teachers for this year. They are, Lloyd Alton, principal, and 7th and 8th grades teacher; Mrs. Isabelle Davidson, 5th and 6th grades; Mrs. Charlotte Dougherty, 3rd and 4th grades; and Miss Jeanne Boleman, 1st and 2nd grades. Mrs. Dougherty was the teacher at the Gatter school and has now joined the faculty of Ann Rutledge.

The board of education which now numbers seven was presented. They are George Kaehler, Calvert Heath, Jr., Donald Ball, Charles Jones, and Lee Gericke. Frank Kovar was unable to attend.

A social hour followed when each member had the opportunity to meet the faculty and board members personally. Refreshments were served by Mrs. D. Ball, Mrs. C. Jones, Mrs. J. Milota and Mrs. B. Rucker.

Since the consolidation of the Gatter school and Ann Rutledge school there is an enrollment of 100 students. The children who live to the north of route 30 are guided across the highway in the morning and afternoon by Mrs. James Hatz, assisted by her two sons, James and Donald.

A lunch hour program was organized to accommodate the children who bring their lunch. Each day two mothers take charge. At present there are 36 mothers who participate. Co-chairman of the lunch hour program are Mrs. James Hatz and Mrs. Rudy Urbano.

Cub Scout News

Den 5, Cub Scouts of Pack 218 met Sept. 10 in the home of Mrs. John Cruise with Mrs. Roy Walker assisting.

New officers elected were Steven Koveikis, chief denner; Jimmy Cruise, assistant denner and James Walker, denner.

Pictures were taken of the group at their Sept. 17 meeting. Members are Tommy and Jack Thurbee, Gary Andersen, Donny Cole, Larry White, James Walker, Steven Koveikis and Jimmy Cruise.

The members parents decided to buy a tote folding table on which the boys may do their work at each meeting which will be held in the Cruise home. The Doctor school donated a dozen folding chairs, enabling Den 5 to work hard this fall.

Mrs. Cruise checked the books and collected the dues. After the meeting the boys played out of doors.

Dutch youngsters put their wooden shoes before the fireplace on Christmas eve.

Irresponsible pedestrians place added responsibility upon motorists. Careless walkers who cross streets in mid-block or against green lights create extra problems for drivers, who must swerve or stop to avoid them. Watch out for the foot loose pedestrian who may not be watching out for himself.

The Homemakers group of the PTA will meet tonight, Sept. 19 at 7:45 in the home of Mrs. Frank Zanol. Mrs. Frank Zanol will be the assisting hostess.

Members of the Cardinal 4-H club will have a cook-out tonight in the home of Miss Jane Ram.

Mr. and Mrs. Fred Woeltje have returned to their home at Little Rock, Arg., after vacationing here for a week with their business. Mr. and Mrs. Earl Schroeder.

Members of the Friendly Neighbors group enjoyed a box social Sept. 12 in the home of Mrs. Ruby Pape. Mrs. Maude Hanmays conducted the business meeting, and Miss Claudia Wilson of Harvey was a guest of the club. Keno bridge was played and prizes were awarded to Mrs. Kay Gougar, Mrs. Lillian Tevelbar, and Mrs. Wilma Boldin. Miss Wilson was presented guest prize. The October meeting will be held in the home of Mrs. Gougar.

Mrs. Gerald Shreffler, 916 North Cooper st., has opened a nursery school three mornings a week, Monday, Wednesday and Friday from 9 to 11:45 a.m. in her home. She is taking 3 and 4 year old children, for supervised play activity.

Mr. and Mrs. A. W. Walsh of Augatuck, Mich., returned to their home Monday after spending the weekend here with their daughters, Mrs. Earl Schroeder and Mrs. Len Anderson, and their families. They came to visit Mr. Walsh's brother, Raymond who is critically ill in his home at Joliet.

The New Lenox Garden club met Thursday in the home of Mrs. George H. Bills in Mokena. Mrs. Lawrence Carlson, and Mrs. Roy Fitzer were assisting hostesses. The program on nature pictures was given by Mrs. Albert Zemeske of Mokena. The pictures were of local beauty spots taken during the various seasons.

A planning conference was held Sunday at the Methodist church from 2 to 5 p.m., with members of the official board, officers and teachers of the church school and officers of all her organizations attending. Richard A. Myers, director of research for the Church Federation of Greater Chicagoland, was the speaker. He discussed the factors which lead to healthy growth in membership and program.

Methodist Rally Day
Sunday, Sept. 29 is Rally day at the Methodist church. A special program has been planned which parents are especially invited.

Those advancing to new departments will receive certificates and those entering the junior department will receive bibles. An attendance of over 100, is planned for that Sunday. The Sunday school has expanded so rapidly, that at least

35 classes are planned for next year. Those interested in teaching are asked to contact Raymond Cullison, superintendent, or the Rev. George Martin.

Teachers and officers will be honored Sunday, Sept. 29, at the second church service.

Two new features are to be added to the Sunday school. The first is a mens class with John Cryer as teacher, and the second is a teacher training class which will be taught by John Oster and Hunter Chapman. These two new classes will broaden the interest base of the Sunday school and should help to supply the growing need for competent teachers.

A full staff of teachers was maintained during the summer months, making a fine record, and a weekly average of 214 for June, July and August.

Don Grund has returned to Quincy college at Quincy, Ill.

Fashion Show

The Women's League of Trinity Lutheran church will present a fashion show and tea starting at 1 p.m. Tuesday, Sept. 24, in the church parlors.

Mrs. Muriel Peterson, program chairman, is in charge of the show and will be the commentator.

Mrs. Grace Mitchell, League president, and Mrs. Thora Rydberg will pour.

Hostesses in charge of the refreshments will be Mrs. Aurelia Bruns, Mrs. Leona Klausung, Mrs. Bertha Landahl, and Mrs. Evelyn Roberson.

Those modeling are Mrs. Evelyn Bowman, Mrs. Amanda Fink, Mrs. Florence Haas, Mrs. Elsie Padzuikas, Mrs. Erna Rathert, Mrs. Mildred Schultz, Mrs. Margene Zarse, Mary Ellen Olson, Karen Olson, Sharon and Patty Reeser.

Members of the WSCS of the Methodist church are making plans for their annual bazaar and turkey dinner. They have set the date for Nov. 14, so they can make use of their new equipment and the expanded dining space of the new building. Members of the society attended the district WSCS meeting at Sandwich yesterday.

Mrs. Adonia Meitsner entertained the members of the Auxiliary to VFW post 9545, Friday night Sept. 13. Mrs. Meitsner, president of the Auxiliary, conducted the business meeting, when plans for a project for Christmas were discussed.

The fifth district president of Wheaton, Mrs. Helen Attig, who makes an annual visit to the Auxiliary, was present. Refreshments were served by Mrs. Audrey Braun.

VFW Commander Edward Archer, and Quartermaster and Mrs. Carl Meitsner, attended the

program Sunday afternoon at Cantigny Post in Joliet, where they heard the National Commander Richard L. Roudebush of Indianapolis, Ind.

Mrs. William Clark will open her home Sept. 26 to the first fall meeting of the Second Child Study club. Mrs. William Kokal will be co-hostess and speaker for the evening will be Mrs. John Oster, kindergarten teacher of New Lenox.

St. Jude's Church News

The Sisters of St. Jude's church will begin religious instructions for the grade school children in the public schools on Sept. 28. Instructions will be held Saturday mornings from 9:30 to 10:30 a.m.

St. Jude's has its highest enrollment since the opening of the school in 1950. There are 197 students attending classes, being taught by the Sisters of the Immaculate Heart of Mary from Tucson, Ariz. The teachers are: Sister Mary Evelyn, first grade; Sister Helen Louise, second and third grade; Sister Rita Marie, third and fourth; Sister Mary Girard, fifth and sixth and Sister Mary Catherine, seventh and eighth grade.

The Hi-Teens of St. Jude's held their bi-monthly meeting in the church hall last Thursday at 8:00 p.m. The group decided to have square dancing after the business meetings. Volunteers were asked to help serve at the Holy Name Society's fish fry on Nov. 8. Fr. Denis talked to the group and closed the meeting with prayer.

Canaday conference for Catholic married couples are held Sunday afternoon from 1:30 to 5:30 p.m., concluding with benediction of the Blessed Sacrament. The talks, given by a priest director, are intended to

provide the couples with an opportunity to renew the purpose and ideals of their state of life. The next Canaday is scheduled for St. Raymond Cathedral on Sept. 29. Fr. Fabian Revell will discuss the topic "Parent-Child Relationship."

Pre-Canaday conferences for engaged and recently married couples are also held Sunday

afternoon, the next one will be at St. John's church in Joliet, on Oct. 6.

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read 11 Timothy 2:15-6

The foundation of God standeth sure. Having this seal, The Lord knoweth them that are his. (11 Timothy 2:19.)

As a surgeon I was called to the Philippines during World War II. At one time our regiment got into a quagmire. The more we struggled, the further in we sank. Many lost their lives. Someone called out, "Don't struggle. Just stand still and wait till help comes". We did so, and soon men came with ropes and pulled us out.

In the Christian life it is very important that one stands on a solid foundation. We need such a firm foundation if we are to accomplish things in this life. There are so many experiences of life that tend to throw people off an even keel! It is not our own struggle, but our faith in God and His son, Jesus Christ, that enables us to stand on firm ground and not fall into quagmire of sin and the distractions of this world.

PRAYER

Our Father in heaven, we thank Thee for the gift of Thy Son Jesus Christ. He has become the foundation of the Church and our only hope of salvation from the quicksands of sin and despair. Help us to have childlike faith that will be a firm foundation for our daily lives. In Jesus' name Amen.

THOUGHT FOR THE DAY

Jesus Christ is my firm foundation.

Makers of Model Cars Can Win Scholarships

Eighteen university scholarships worth \$38,000 and another \$77,000 in cash and other awards er Body Craftsman's Guild model are the stakes in the 1958 Fish-car competition.

Enrollments for the competition are being accepted now, it was announced today by C. W. McClellan, administrator of the Guild.

Boys born in the years 1937 thru 1941 are eligible to enroll in the senior division; boys born in 1942 thru 1946 may enroll in the junior division. An enrollment card may be obtained by writing to Fisher Body Craftsman's Guild, General Motors, Detroit 2, Mich.

Approximately 1000 public and parochial schools thruout the county will be visited this fall by field representatives of the Craftsman's Guild to explain the model car building program.

Can Get Book on Design

A booklet on model car design and construction is given to each boy enrolling in the Guild. Prepared by professional designers and engineers, it is the only textbook of its kind for boys wishing to learn about automobile design.

Since 1930, the Fisher Body university scholarships valued at competition has awarded 179 \$525,500 to national winners. Approximately \$875,000 in cash and other awards have been made to thousands of boys winning state and regional honors. The Fisher Body model car competition has become nationally famous as one of industry's most successful talent sources. A survey of former winners revealed that the same dreams that help a boy design and build an award-winning model car help most of them to become prize-winning adults, too.

Awards for the best models entered in the Guild competition include eight university scholarships for the national winners of the Junior and Senior Divisions of the competition. In each age group the awards will be: 1st—\$5,000 scholarship; 2nd—\$4,000; 3rd—\$3,000; 4th—\$2,000. In addition, ten \$1,000 scholarships are awarded to boys showing exceptional designing ability.

Many Awards

There are 16 awards in each state and the District of Columbia, eight in each age group as follows: 1st—\$150 cash; 2nd—\$100; 3rd—\$50; and five honorable mention awards of \$25 cash. For judging purposes, the 48 states and District of Columbia are grouped into 20 regions, each of which will send a Junior and Senior Division winner expense-free to the national Guild convention next August.

Sons of General Motors employees (including dealers and their employees) are eligible to enter the competition. Duplicate awards are made if the son of a GM employee wins.

The 1957-58 competition will end June 2, 1958.

The Lord hath heard my supplication; the Lord will receive my prayer.—(Psalms 6, 9.)

God hears the faintest, unspoken prayer that wells up from our hearts, the silent supplication that forms on our lips—and even as we pray in faith and trust, He is answering; for He is always listening, ever loving and merciful.

Chairman Martin of the Federal Reserve Board recently testified before a House committee on money problems. In the course of his remarks he said: "The tight-money policy, I insist, is a misnomer. Actually, what we have been faced with in the country is loose money. It has been tight in the sense that demand . . . has been tant-

MAURICE P. ANGLAND

August, according to the consumer price index of the Bureau of Labor Statistics, showed another increase in the cost of living and the 12th month in a row showing such an increase. In the past 18 months the dollar has lost more than 5 per cent of its purchasing power.

Whether it is realized or not, the individual making an investment or saving money, is trying to at least retain the same purchasing power for the future as that purchasing power at the time of the investment or saving. He is not interested in saving dollars as bookkeeping symbol. An investment that does not at least keep pace with shrinking purchasing power thru dividend or interest income, price appreciation, or a combination of both, is not a desirable investment.

Using 1947-49 as a base index of 100, it now costs \$1.21 to buy what could have been bought for \$1.00 in the base period. Using 1900 as the base period, the dollar has lost 72 per cent of its purchasing power.

Better grade common stocks have been the best investment vehicle to protect against erosion of the dollar and show a profit above that figure. Fixed dollar investments as savings accounts and bonds, have not been a satisfactory of combating dollar erosion. The current substantial increase in interest rates on savings accounts and bonds, etc. makes these fixed dollar investments somewhat more attractive.

Common Stock Up
As to common stocks, a chart

showing their movement since 1900 shows the average value of common stocks listed on the New York Stock Exchange, as having advanced in value somewhat faster than the shrinkage of the dollar in purchasing power.

Erosion of the purchasing power of all monetary units, has been going on since the creation of the first monetary unit. Only the rate of such erosion of the monetary units purchasing power has varied.

The Federal Reserve board with its control of money and credit is trying hard to keep the dollar from depreciating in value at too rapid a rate. Politically and economically, their chore is a difficult one. They can tighten the supply of money and credit, but must do so in a manner which will cause a minimum of political and economic pain. In any effort to stop a rapid erosion of the dollar, some portions of the economy are going to be hurt. The "tight money" policy has pinched the building industry as an example.

Too Much Spending

There are two big factors in pushing down purchasing power — (1) excessive governmental spending, and (2) wage rates and benefits which rise at a rate more rapid than increase in man hour production of workers involved.

As to governmental spending, the congress, after much headline news on the perils of inflation, completed a budget which will not decrease "actual spending" by any appreciable

degree. Further, the sums to be spent on defense would seem to be in the control of Moscow rather than Washington. Regardless of the Federal Reserve board monetary policies, our national safety depends on quick and positive steps to check mate Russian military and political activities. History teaches us that dictatorships become more reckless as their power is threatened within their own countries.

MOKENA UNIT

The first fall meeting of the Mokena Parent Teachers Association will be held on Tuesday, Sept. 24 at 8 p.m. in the school gym. Mrs. Robert Hunniford, program chairman, and Mrs. Charles Thomas, her assistant, have prepared a play entitled "Mom is Bustin' Oua All Over" which will be presented that evening. The list of characters are: Mrs. Melvin Robinson, Mother; Mrs. Jean Peterson, Grandmother; Nancy Behen, Babysitter; Lorene Sizer, Philip Thomas and Thomas Robinson, children. This will be a pantomime play with a musical background furnished by the Girls' choir under the direction of Glenn Miers.

The new officers of the PTA are as follows: Mrs. George Bills, president; Mrs. W. A. Hamilton, vice president; Mrs. Charles Burkhardt, Jr., treasurer and Mrs. Elias Brown, secretary. Committee chairmen are: Mr. and Mrs. Lawrence Istel, membership; Mr. and Mrs. Norval Robinson, ways and means; Mrs. Fred Clark, hospitality; Mrs. William Hanson, safety, and Mrs. Harold Behen, publicity.

The books have been audited by Lyman Teague. At a recent board meeting, plans for the coming season were discussed. A membership drive will be conducted again this year, details of which will be announced later. It is hoped all in the community who are interested in the education and growth of our youth will attend our monthly meeting which is held on the fourth Tuesday. A cordial invitation is especially issued to all those who are newcomers in Mokena to attend and become acquainted in the community.

FRANKFORT UNIT

The Frankfort school PTA held its first fall meeting Wednesday evening, Sept. 11 in the school.

Mrs. Paul Lambrecht presided at the business meeting. The various chairman were introduced and reported on progress of their committees.

Miss Lankenau introduced the teachers for the school year.

The scheduled speaker, Glen Mallory, was unable to attend but his wife, principal of one

of the schools in Champaign, explained the new theory in phonetic reading which is being used in the first three grades of school this year.

The fall conference of the PTA will be held Oct. 2 at the Pershing school in Joliet. All officers and chairmen are asked to attend. Registration starts at 9:30 p. m.

Executive board meetings will be held Monday before the regular PTA meeting at 1:30 p. m. at the school.

Roller skating will begin Tuesday, Oct. 1, Grades 1 to 6 will skate from 6:30 to 7:30 p. m. Grades 7 to 8 and older will skate from 7:30 to 10 p. m. There is need of couples to help with this project.

The first Teen-age dance will be held Sept. 21 in the school gym from 7 to 10 p. m.

Council to Meet

Southwestern Area Parent Teacher council will meet for their first fall assembly Sept. 24 at Markham Park school, 16239 Lawndale ave., in Markham, at 8 p.m.

The meeting has been planned to provide helpful information and suggestion to local PTA chairmen. The budget will be presented for approval.

Mrs. Walter Fierke of Tinley Park, council president, will preside.

New Lenox Unit

The New Lenox Parent Teacher association held its first monthly meeting of the fall term Tuesday night, Sept. 10 in the Haven school auditorium with Mrs. Roy Minger presiding.

Members of the Cardinal and Bluebird 4H clubs entertained with a fashion show as a part of the program.

John Oster, superintendent of the grade schools, introduced the teachers: Mrs. Geneva Os-

ter, kindergarten; Mrs. Jessie Eggman, Mrs. Marie Monge, and Mrs. Grace Mottinger, first grade; Mrs. Wilma Hammond, Mrs. Donna Kruck and Mrs. Iva Sproat, second grade; Mrs. Margaretta Davies and Mrs. Kathleen Jelenich, third grade; Mrs. Elizabeth Morrison and Mrs. Eleanor Mundt, fourth grade; Miss Lois Fuerst, and Mrs. Mary Beth Kambic, fifth grade; Robert Fahrner, and Mrs. Helen Holt, sixth grade; Mrs. Mary Bossom, Mrs. Rosemary Hake, and Mrs. Leta Donaldson, seventh and eighth grades; Michael Kruck, 8th grade and building principal, and Higdon Kenney, music.

Mrs. Minger introduced the following officers and chairmen of the PTA: Vice president, Mrs. John Bell; secretary, Mrs. Mary Ann Mooney, treasurer, Mrs. Irwin Wolfinger. Committee chairmen: Membership, Mrs. O. C. Davis; budget and finance, Michael Kruck; hospitality, Mrs. Glenn Gretz; publicity, Mrs. Ben Marek; health and round-

up, Mrs. Roy Fredin. Those on the bus committee are: William J. Clark, Leonard Erickson and Mrs. Claire Christian. Speaker for the evening was Attorney Stuart Kroesch, of Joliet, who talked on "My Leading Lady."

Following the program, refreshments were served by the eighth grade mothers.

Benjamin Franklin was the 15th in a family of 17 children.

The county 4-H federation elected officers at their last meeting. The new officers are: Elaine Elbers, Tinley Park, president; Agnes Enzweiler, Steger, vice president; Julia Dyrz, Blue Island, secretary; and Karen Wetzel, Chicago Heights, treasurer.

The 4-H Federation is an organization composed of delegates from local 4-H clubs. Their program is built around educational, recreational and community service activities.

One of their most recent accomplishments was building signs advertising 4-H work. These signs will be erected along major roads entering the county. This project was carried out by Ronald Kollman, Harvey, and a committee of Federation members.

There is a major change in the soil bank program for 1958. At the present time it is of current interest to farmers who have a wheat allotment. The change involves a new term, "Soil Bank Base." This base is the average acreage of all soil bank base crops grown in 1956 and 1957. Soil bank base crops include practically all crops grown to be sold for cash or converted to meat. The list includes all vegetables, sugar beets, small grain, corn and wheat.

Farmers having questions should check with the ASC office for details.

Sign up for wheat acreage closes Oct. 4.

I visited the headquarters of the Northern Illinois Breeding Cooperative at Hampshire this week. This organization, owned by farmers, is dedicated to improving livestock, particularly dairy cattle, through the use of outstanding and tested sires.

It was the first cooperative of its kind in Illinois and second in the nation. The first year, 1940, 1054 animals were served. In 1956, 118,500 animals were serviced.

A new rat and mouse poison, called "diphacinone" is on the market now. According to the Fish and Wildlife service, this is a very efficient poison. This poison will be particularly helpful to farmers storing grain. This chemical, at the present time, is being sold in bait form only.

With the many problems encountered in 1957 with winter

wheat, these recommendations are made for the 1958 crop:

Plant good seed of a recommended variety, and certified if available. Recommended varieties for northern Illinois are Pawnee, Ponca and Westar, all hard wheats.

Be sure the seed has been well cleaned. Check the germination of seed wheat. Low test weight and diseased seed is often low in germination.

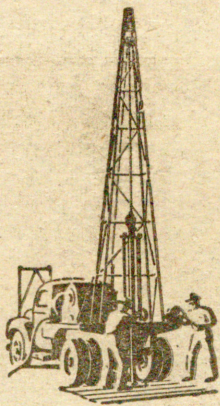

Treat your seed wheat. Use Ceresan M, Panogen or a similar seed treatment. Treated seed will produce stronger seedlings. But even this will not control loose smut.

Follow the recommended seeding dates, Sept. 19-22.

Washington Snapshots

An all-important break in the battle for tax reform came in the recent announcement that the House Ways and Means Committee definitely would hold hearings on the need for tax revision.

Thus advocates of tax cuts now are assured of an opportunity to urge congress during formal hearings to enact legis-

lation substantially reducing on Aug. 5 by Rep. Herlong. Both personal and corporation income tax rates.

This opportunity will come next Jan. 7—at the opening of the 1958 session of congress. The Ways and Means hearings were ordered by Chairman Cooper following a meeting attended by the 15 Democrats on the committee along with Speaker Rayburn.

Bipartisan legislation now is pending in congress—and undoubtedly will play a prominent role in the hearings—to lower personal and corporation income tax rates to a maximum of 42 per cent by a series of annual reductions during the next five years.

Identical bills to accomplish this purpose were introduced on March 28 by Rep. Sadlak and

Boy Scouts Have "Wing Ding" At Mokena

ATTENTIVE AUDIENCE watches the performance of the Richton Indians in the light of a big campfire at the Mokena-New Lenox Boy Scout "Wing Ding" held last Friday, Saturday and Sunday in the Mokena Community park. The Richton Park group does an excellent job

with its Indian dances and in view of the fact that the chill of fall entered the picture Saturday night it was more comfortable for the "braves" to dance than to hold a powwow. Paint, feathers, shells and a breech clout don't keep out the weather. (Marvin Smith photo)

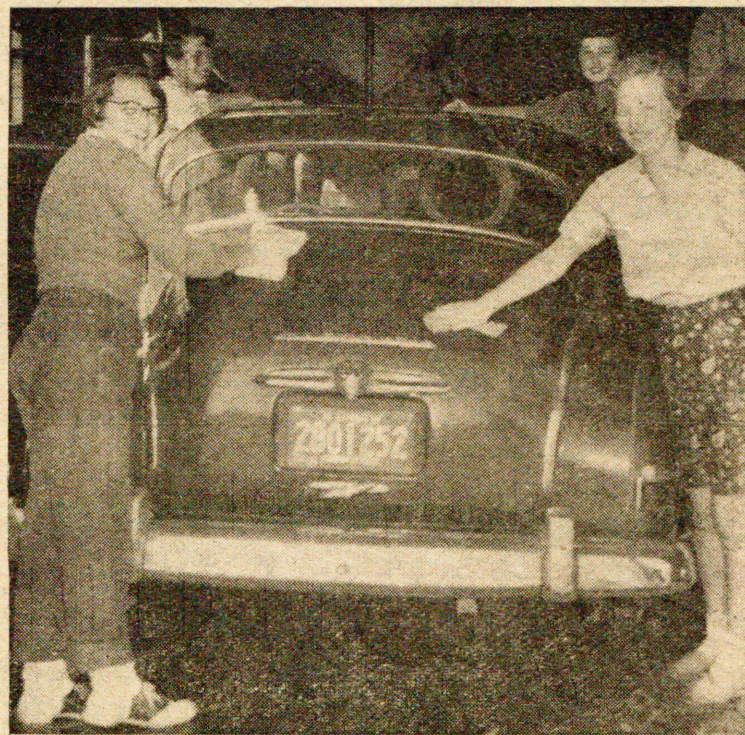

LEAF IDENTIFICATION CONTEST—was one of several competitions engaged in by Mokena and New Lenox Boy Scouts in a three-day camp at Mokena last week-end. In the picture (left to right) are, Arthur Omland, scoutmaster of Mokena troop, Wayne Swanberg, Mark Mueller, Kenneth DeCamp, Dennis Heim, Henry Engel (wearing a cap and of New Lenox) Dan Williams, Ronald Badten, and Stanley Williams. All except Engel are from Mokena. (Marvin Smith photo)

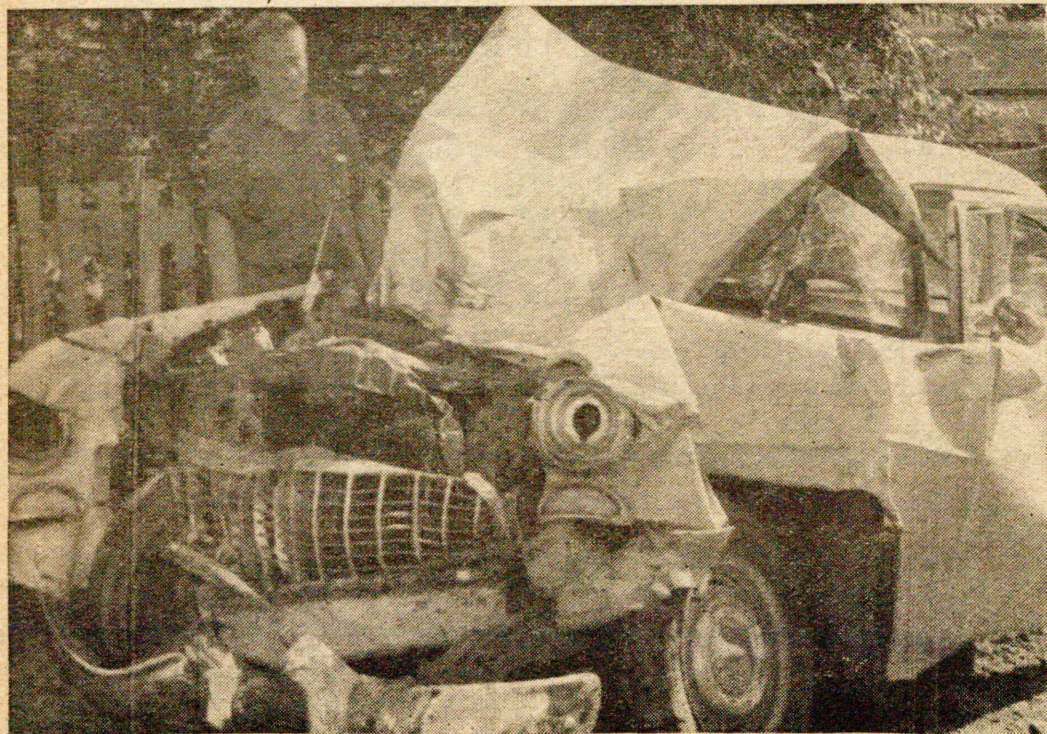

DAY OR NIGHT, THEY'RE HUNGRY—and that applies to all growing boys. The youngsters pictured here are among the Boy Scouts that engaged in the competition of the "Wing Ding" held at Mokena last week end. There was no eating contest scheduled but all per-

formed very well in the knife and fork exercises. In this picture they are lined up for the fourth time in a 16 hour period, for a light snack—hotdogs and trimmings—before going to bed—and what's more—to sleep. Youth is wonderful! (Marvin Smith photo)

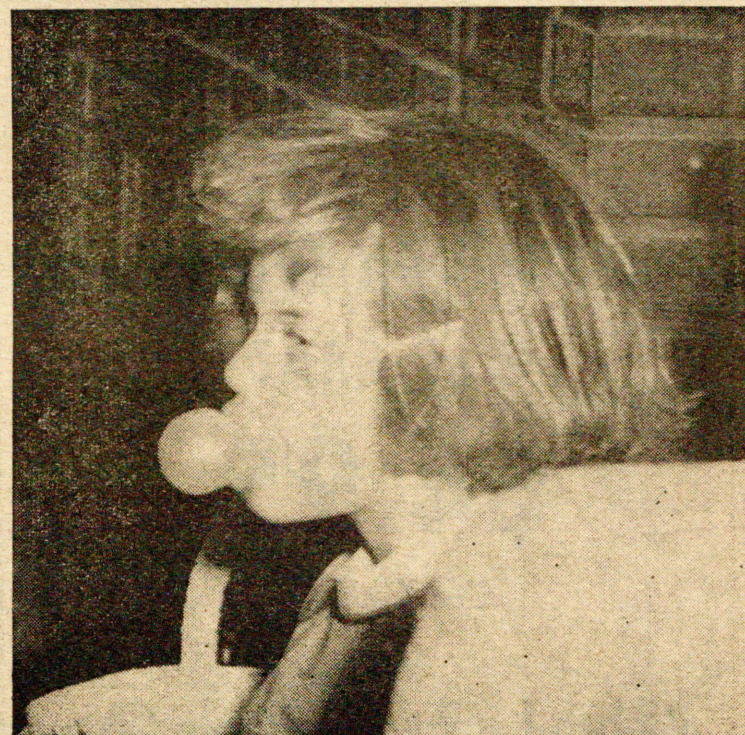

MONEY MINDED—are these girls, for the sake of the Future Homemakers of America chapter at Lincoln-Way high school. The chapter needs money and so last Saturday, thanks to Charles Florey who operates a gas station at Wolf rd. and Front st., Mokena, the gals had a place and the proper working tools to conduct an auto laundry. At 3 o'clock they had taken \$22 and had other cars waiting. In the back row are Sharon Cappel (left) of Mokena and Elaine Studniciki, of Lincoln Estates. In the front row are Merry Lee Collatz (left of New Lenox and Lurene Brown, Mokena. (Marvin Smith photo)

ENCOUNTERS TRUCK—and not only was his car crumpled but the driver, Billy Gilleand, 29, Park Forest, suffered head and chest injuries. Gilleand was driving east on U. S. 30 last Thursday evening, half a mile east of U. S. 45 when a west bound truck came over into his

lane. State police gave the truck driver, a resident of Pontiac, a ticket. Gilleand was taken to Silver Cross hospital, his car to Bruno's garage at New Lenox. The man in the picture was a bystander looking at the remains of the car. (Marvin Smith photo)

NO BURSTED BUBBLE HERE—it just got bigger and bigger and would really have attained double-king proportions but for one detail—Nancy didn't have enough gum. Nancy—whose other name is Gudendorf, is eight years old and resides at Aurora. She was visiting relatives at Mokena Sunday and was pensively making bubbles as she day dreamed while her elders engaged in grown-up talk. (Marvin Smith photo)
